Dear Mayor Iveson and Councillors,

LES FILLES DE JÉSUS represents 15 members in the community. Improving mental health is an important issue for all our members, their families, and their communities. Les Filles de Jésus joins the Greater Edmonton Alliance and others in advocating for the City of Edmonton to adopt the Canadian Standard for Psychological Safety in the Workplace.

Ending the stigmatization surrounding mental health is vital. The Standard is an internationally recognized tool that has proven to increase awareness of mental health which helps to reduce the stigmatization in the community at large.

Our members endorse the adoption of the Canadian Standard for Psychological Safety in the Workplace as City of Edmonton policy.

Respectfully,

Georgine Morin, fj

Member of Leadership Team of Les Filles de Jésus
