Amend 8.03.02.03 Maternity and Parental Leave:

8.03.02.03.01 Maternity and/or Parental Leave, relating to the birth or adoption of a child, shall be granted by the City in accordance with City Policy and consistent with existing Provincial and Federal Legislation.

8.03.02.03.02 Maternity leave is the unpaid voluntary leave relating to the birth of a child. Parental leave is the unpaid voluntary leave relating the birth or adoption of a child.

NOTE: For the purpose of this section, the City's Disability Plans shall include the Short Term Disability Plan (STD), Supplementary Unemployment Benefit Plan (SUB Plan) and Long Term Disability Plan (LTD).

"Valid, health-related portion" shall mean that period of an eligible employee's pregnancy during which they are disabled (in accordance with the terms of the City's Disability Plans) and such disability is substantiated by medical evidence satisfactory to the City.

8.03.02.03.03 The City shall grant maternity/parental leave in accordance with the following: Upon written application to their manager, maternity/parental leave will be granted to employees employed for at least ninety (90) days ~~twelve (12) consecutive months~~. Except where otherwise specified in the Employment Standards Code, should no application be made by employees for maternity/parental leave, and they fail to report for work, the employees will be deemed to have resigned their position and the City will be under no obligation to provide future employment.

8.03.02.03.04 Maternity leave shall be for a maximum period of sixteen (16) ~~fifteen (15)~~ weeks. Parental Leave shall be for a maximum period of sixty-two (62) ~~thirty seven (37)~~ weeks. Employees who gives birth ~~Birth mothers~~ shall be eligible to combine such leave for a period of seventy-eight (78) ~~fifty two (52)~~ weeks. An employee who gives birth ~~birth mother~~, who takes both maternity and parental leave, must take the leaves consecutively.

8.03.02.03.05 Maternity leave shall be applied for in writing at the earliest possible date, but not less than six (6) weeks prior to the date maternity leave is to commence. Such leave may commence at any time up to thirteen (13) ~~twelve (12)~~ weeks prior to the estimated date of delivery. If a pregnant employee is unable to perform the duties of their position or such alternate position as may be made available, for which they are qualified, and in the absence of any valid, health-related disability attributable to the pregnancy, the pregnant employee shall be required to immediately commence maternity leave in accordance with the applicable provisions of the Employment Standards Code.

8.03.02.03.06 Parental leave shall be applied for in writing not less than six (6) weeks prior to commencement of such leave. Parental leave can begin at any time after the birth or adoption of the child but it must be completed within seventy-eight (78) ~~fifty two (52)~~ weeks of the date of birth, or the date an adopted child is placed with the parent.

8.03.02.03.07 Except in the case of employees as stipulated below, maternity/parental leave shall be without salary or sickness allowance, but employees on such leave will not lose seniority. Employees who are members of the City's Disability Plans as provided for by the City and who

provide medical evidence satisfactory to the City to substantiate their disability for the valid, health-related portion of their pregnancy may, subject to the terms of the City's Supplemental Unemployment Benefits Plan (SUB Plan), qualify for SUB Plan benefits for the duration of the valid, health-related period. Receipt of such SUB Plan benefits shall commence no sooner than the date of delivery, subject to the provisions contained in the SUB Plan. Employees who are members of the City's Disability Plans and who otherwise do not meet the conditions for eligibility for SUB Plans during the valid, health-related portion of their pregnancy will be governed by the terms of the City's Disability Plans.

A pregnant employee who is a member of the City's Disability Plans and who subsequently experiences a maternity complication related to the valid, health-related portion of their pregnancy after the conclusion of the maximum period during which SUB Plan benefits may be available, shall be entitled to receive the balance of disability benefits paid at the applicable level. Upon providing an appropriate medical certificate, a pregnant employee may commence sick leave prior to their estimated date of delivery. Such sick leave shall not be considered part of maternity/parental leave.

- 8.03.02.03.08 Whenever employees are absent for more than the approved period of maternity/parental leave, unless the absence is due to a maternity complication related to the valid, health-related portion of the pregnancy and is substantiated by medical evidence satisfactory to the City, they shall automatically be deemed to have terminated their employment when said period expires.
- 8.03.02.03.09 Employees returning from maternity/parental leave within the approved period shall be given the same position at their current rate of pay, and shall provide as much notice as possible, but not less than four (4) weeks notice to the City of their return to work. If the same position is not available then a comparable position will be found.
- 8.03.02.03.10 Employees, who choose to carry benefits while on a leave of absence are required to pay both the City and the employee portions of applicable benefits when employees are granted leaves of absence without pay in excess of ten (10) consecutive working days. Article 11 - Layoffs, Recalls, Technological Change and Transfers

The undersigned parties agree to AMEND Article 11 as follows:

11 Layoffs, Recalls, Technological Change and Transfers

11.01 Layoffs and Recalls

11.01.01 A workforce reduction is the reduction in the number of permanent positions that results in the displacement or layoff of permanent employees.

11.01.02 When the City believes a workforce reduction is required, the City will identify:

- the organizational unit (department, branch or section) where workforce reduction(s) will be required, and
- the number of positions within each class that may be eliminated by the workforce reduction.

The City will notify the Union of the business rationale supporting the above. The City and the Union will meet to consider alternatives to workforce reduction and discuss the process of informing affected employees of their potential displacement or layoff, and ways to involve the employees in considering alternatives.

If the workforce reduction is unavoidable, the City will identify the employees who may be displaced from their assigned positions or laid off and discuss the timing of the workforce reduction with the Union.

11.01.03 Prior to implementing a workforce reduction, temporary and provisional employees in an organizational unit will be terminated and temporary positions will be eliminated as operational circumstances permit.

11.01.04 A permanent employee who occupies a higher temporary position within a class being reduced, will be returned to their permanent position, if available, or to a comparable position. A permanent employee who is working at an Opportunity Concept level, within a class being reduced, will be returned to their former position, if available, or to a comparable position, at their former rate of pay. An employee who did not hold a position within the bargaining unit immediately prior to entering an Opportunity Class or a permanent employee working in a temporary position who does not have a position to return to will be deemed to have the least overall Union seniority for the purposes of 11.01.

11.01.05 If the City confirms that a workforce reduction is required, the permanent employee in the class to be reduced who has the least overall Union seniority will be the first displaced from the class.

11.01.06 A permanent employee who is displaced from their class by workforce reduction may be eligible to be placed in an alternate permanent position within the same branch in an equally paid or lower paid ~~classification~~ class, provided that: a) the employee is qualified to perform the

duties of the alternate position; and b) the employee is senior to the current incumbent.

11.01.07 If a displaced employee is eligible to be placed in two or more classes with the same pay range, the employee will only be eligible for placement into the position occupied by the employee with the least overall Union seniority among these classes.

11.01.08 If there is a question as to the employee's ability to perform the required duties of the alternate position, the City reserves the right to establish a trial period of up to six months. At any time during the trial period, the City or the employee may deem the trial period to be unsuccessful. Under these circumstances, the displaced employee may elect to exercise rights to the next lower class for which the employee is senior and qualified.

11.01.09 A permanent employee who is displaced from their class and declines an alternate position or is not eligible for placement in an alternate position will be laid off.

11.01.10 A permanent employee who is laid off as a result of workforce reduction will receive the following notice or pay in lieu of notice:

- | | |
|--|---------|
| a) less than four years of service: | 2 weeks |
| b) four or more, but less than six, years of service: | 4 weeks |
| c) six or more, but less than eight, years of service: | 5 weeks |
| d) eight or more, but less than ten, years of service: | 6 weeks |
| e) ten or more years of service: | 8 weeks |

~~11.01.11~~ Clauses 11.01.01 to 11.01.10 will not apply in instances where the workforce reduction is estimated to be of a duration of 30 days of work or less. Under these circumstances, the affected employee will have the option, with the approval of the department, to use vacation or banked overtime credits rather than be laid off for any days applicable to this clause. The City will also make every reasonable effort to retain the employee for the duration of the short-term layoff.

11.01.12 If the number of permanent positions in a department, branch or section is to be increased, a permanent employee formerly belonging to the department, branch or section and class to be increased who has been displaced or laid off within the previous 24 months will, if available, be recalled in the reverse order of their displacement or layoff, in preference to other applicants. **An employee may refuse recall twice; thereafter, if they do not return to work after the third recall attempt, the 24-month recall period will end.**

11.01.13 A laid off permanent employee who is recalled to a permanent position within 24 months of their layoff will retain the same seniority and benefits they had as a permanent employee prior to layoff.

11.01.14 A permanent employee who is laid off and subsequently recalled within 24 months into a temporary position within the scope of this collective agreement will be considered a provisional employee, **except when applying for vacant positions, in which case Article 11.01.15 will continue to apply for the duration of the 24 month period following layoff.**

11.01.15 A permanent employee on layoff will retain the seniority they had at the time of layoff and be able to exercise their rights in accordance with Article 10 when applying for vacant positions within the City. Such employee will be granted an interview and be given due consideration for all positions for which they apply, and **will be granted an interview for any positions which they are which they may be** considered qualified. The provisions of this clause apply during the 24 month period following layoff.

11.01.16 A provisional employee who is terminated due to a workforce reduction will be eligible for recall into their former position following the placement of all eligible permanent employees and prior to the hiring of temporary employees into such positions.

NOTE: For the purposes of workforce reductions in the Edmonton Police Service, reference in this article to "Branch" shall mean "Bureau", except in the case of the Corporate Services Bureau (as it is currently known), where the organizational unit for bumping will be determined at the time of the reduction.

11.02 Technological Change

11.02.01 An employee classified as a permanent employee shall be considered displaced by technological change when their services shall no longer be required as a result of a change in plant or equipment or a change in a process or method of operation diminishing the total number of employees required to operate the department in which they are employed.

11.02.02 Permanent employees so affected will be given reasonable advance notice in order that they may take advantage of all available opportunities commensurate with their abilities.

11.02.03 The City agrees that, wherever possible, no employee shall lose employment because of technological change; however, whenever it is necessary to reduce staff, it will be done in accordance with the layoff procedures outlined in this Agreement.

11.02.04 The City and the Union, in co-operation with Government, agree to participate in every way possible in training and retraining employees.

11.03 Transfers

11.03.01 Transfers of Over-ranged Employees

11.03.01.01 No permanent employee who becomes over-ranged as a result of a reclassification of their position shall be dismissed (or suffer any reduction in wages) except for just cause or as a result of layoffs or staff reductions affecting such over-ranged employee. However, an employee who is recalled to their former position in which they were over-ranged shall be recalled at their former rate of pay provided such recall is within twenty-four (24) months of their layoff.

However, the City shall have the right to transfer an over-ranged employee to any vacant position for which they are deemed to qualify ~~to qualify~~ **qualified**, said position being the same pay range of the position being vacated, or higher, in order to remove or to retrain the employee through experience so that they may progress to a position which will remove them from the over-ranged status.

11.03.01.02 Should the City determine that the said employee does not qualify for continuance in the new position, based on a written performance appraisal completed during the trial period, they shall be reverted to their former or equivalent position with not less than their former rate of pay.

11.03.02 Lateral Transfers

11.03.02.01 When an employee is laterally transferred and regarded as having adequate preparation for the new position, they shall suffer no loss in pay. However, if the employee is not

fully qualified for the new position, they shall suffer no more than a two-step reduction in pay. Upon satisfactory performance at the end of the first three (3) months in the new position, they shall regain one (1) step and, at the end of the next three (3) months of service, they shall regain the second lost step.

11.03.02.02 Employees shall be eligible for lateral transfer in accordance with or notwithstanding the posting procedure.

11.04 Job Security

11.04.01 Without restricting its right to determine the methods by which municipal services are to be provided, the City agrees that no permanent employee shall be laid off or have their employment terminated as a result of contracting out work or services of a kind performed by such permanent employee.

11.04.02 If any position to which a permanent employee has been promoted is abolished as a result of contracting out work, the employee holding such position shall revert to the permanent position they formerly held within the branch (if branches are named) or department concerned.

11.04.02.01 If there are no permanent positions available to which a permanent employee may revert as a result of contracting out work, then they shall have the right to firstly fill any position occupied by a temporary employee at the time of the layoff within the department concerned, provided that they are qualified for the position and, secondly, fill any position occupied by a provisional employee at the time of layoff within the department concerned, provided that they are qualified for the position.

11.04.02.02 If there are no positions available to which a permanent employee may revert within the department concerned, then they will be offered employment for which they are qualified in another department.

11.04.02.03 Should a permanent employee refuse to revert to another position within their department or refuse to accept an offer of employment in another department, then they will be laid off. In this event, they will be recalled in accordance with the provisions of 11.01.

11.0XX Severance

11.0X.0X As an alternative to layoff, the City may choose to offer employee(s) access to a voluntary severance option, following discussion with the Union.

RE: National Day for Truth and Reconciliation

The Truth and Reconciliation Calls to Action recommend a national holiday to observe a day for Truth and Reconciliation. The federal government has declared September 30th that day, and it is only a statutory holiday for federal employees. On March 14, 2023, City Council declared September 30th a civic holiday under the *Municipal Governance Act* for the City of Edmonton.

The City of Edmonton and its Unions and employees desire to honour and acknowledge September 30th as the National Day for Truth and Reconciliation.

The undersigned parties agree to AMEND articles 8.01.01 and 8.01.02 as follows:

8.01.01 The following days shall be recognized as statutory holidays for the purpose of this Agreement, and all permanent, provisional and probationary employees shall be entitled to the holidays specified, provided they meet the terms and conditions set out in 8.01.04.

New Year's Day, Alberta Family Day, Good Friday, Easter Sunday, Victoria Day, Canada Day, Civic Holiday, Labour Day, **National Day for Truth and Reconciliation**, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day, and any other holiday which the City allows employees as a whole.

NOTE:

- For the purposes of this clause, Canada Day shall be deemed to be July 1st of each calendar year, or July 2 when July 1 is a Sunday.
- For the purposes of this clause, Boxing Day shall be deemed to be December 26th of each calendar year.

8.01.02 Temporary employees who have completed thirty (30) days' continuous service, or who have worked thirty (30) days with the City in the preceding twelve (12) months, shall be entitled to receive such statutory holidays as are set forth in the current Employment Standards Code, or as follows (whichever is more favourable), provided they meet the terms and conditions set out in 8.01.04.

New Year's Day, Alberta Family Day, Good Friday, Victoria Day, Canada Day, Labour Day, **National Day for Truth and Reconciliation**, Thanksgiving Day, Remembrance Day and Christmas Day.

NOTE: ~~For the purposes of this clause, Canada Day shall be deemed to be July 1st of each calendar year, or July 2 when July 1 is a Sunday.~~

- For the purposes of this clause, Canada Day shall be deemed to be July 1st of each calendar year, or July 2 when July 1 is a Sunday.
- All temporary employees shall be eligible for the National Day for Truth and Reconciliation regardless of their days of continuous service or length of service in the preceding 12 months.

This LOU shall apply to those employees within the Union that work for EPS and the City of Edmonton.

The parties agree that this LOU shall be effective immediately and updated language shall be moved into the body of the next Collective Agreement.

LOU #X: HYBRID REMOTE/OFFICE WORK AGREEMENT

Every Employee's place of work will be a City of Edmonton or Edmonton Police Service (collectively, the "Employer") workspace, unless a hybrid work arrangement is approved.

In relation to the Employer's hybrid remote/office work program for Union Employees, the parties agree that the following applies:

- An Employee may request approval from the Employer to work remotely from home in a hybrid work arrangement, in accordance with a process(es) to be determined by the Employer
- Any Employee approved for this program ~~will~~ **may** be required to work a minimum number of days per week in an assigned Employer workspace as determined by the Employer.
- At the discretion of the Employer, any individual Employee may be directed to return to an Employer workspace
- Subject to operational requirements, any Employee directed to return to an Employer workspace will be provided a minimum of 30 calendar days' notice, unless a shorter period is otherwise mutually agreed to between the Employer and the Employee.
- In cases where an Employee is directed to return to an Employer workspace but requests an exemption from that requirement, arising from a potential legal duty to accommodate, the Employer will consult with the Union and discuss potential alternatives before making its final decision. While the Employer and the Union shall make best efforts to conduct such consultations in a timely manner, if operational requirements necessitate an Employee's return, the Employee shall return to an assigned Employer workspace prior to the conclusion of consultation if directed to do so by the Employer. If an Employee refuses to return to work to the Employer workspace or, following consultation with the Union, if the Employer maintains its return to work direction and the Employee refuses to return to work to the Employer workspace, the Employee will be deemed to have abandoned their employment with the Employer and will be terminated.
- Any Employees approved by the Employer to work remotely from home for any period of time, shall continue to follow all terms, conditions, policies, procedures, requirements and restrictions set forth by the Employer (City of Edmonton or EPS respectively).
- Notwithstanding that an Employee may be working in a hybrid work arrangement, the Employee may, from time-to-time, be required to attend an Employer workspace or other locations (e.g. meetings, training etc.) outside of their agreed-to schedule, as

identified by the Employer. In this case, it is mutually understood that less than 30 days' notice may be provided to the Employee.

- ~~This LOU expires December 27, 2025~~
