6 Working Conditions

The City and the Union agree that the following changes to the Hours of Work Article are not intended to either alter or amend the current hours of operation in the City or any existing Compressed Hours of Work Programs. It is understood that the hours may be amended to allow for both anticipated scheduling needs and flexible work arrangements that may be mutually agreed between management and the employees. These changes are intended to reflect current practice as outlined in the previous Collective Agreement Hours of Work Article and Letters of Understanding.

6.01 Regular Hours of Work

6.01.01 Regular Hours of Work

- a) are based on up to 67.5 hours or 80.0 hours per bi-weekly pay period, exclusive of overtime and lunch periods; and
- b) may be scheduled between 04:30 and 23:00 hours; and
- c) will not exceed ten hours per day.

6.01.01.01 Variable Hours of Work

The City may establish variable hours of work to permit variation in the daily hours of work of an employee(s), provided that the daily hours do not exceed ten (10) in any given day, and 67.5 or 80 in a bi-weekly period, exclusive of lunch breaks.

6.01.01.02 Variable hours of work arrangements may be amended or terminated by the City with one month's written notice, having consideration for operational requirements and the personal needs of the employees.

6.01.01.03 The City will advise the Union of all variable hours of work arrangements.

6.01.02 Employees working 80 hours will receive an hours of work wage adjustment of 12% of the bi-weekly rate of pay assigned from the schedule of wages. This premium will be discontinued if the hours of work of the position are reduced to 67.5 hours.

HOURS OF WORK SCHEDULES

6.01.03 An hours of work schedule is a timetable showing the regular hours of work assigned to each employee of a work unit. The schedule includes the regular daily hours, the days to be worked each week, and scheduled off days.

6.01.04 Lunch periods may extend between 1/2 hour and 1 1/4 hours per day.

6.01.05 Off days will be consecutive, wherever practicable.

6.01.06 Hours of work schedules will be established within each work unit based on operational requirements and prior consultation with employees covered by the schedule. During the consultation process, the Department will seek the support of employees for the schedule. Employees will be given a reasonable opportunity to suggest amendments or options that satisfy operational and individual needs.

6.01.07 New hours of work schedules will be posted seven calendar days prior to implementation and will extend for a minimum period of 30 calendar days.

- 6.01.08 Hours of work schedules will be posted and maintained in a prominent place readily available to the employees concerned.

ADJUSTMENTS TO HOURS OF WORK SCHEDULES

- 6.01.09 The City may adjust an employee's regular hours of work to accommodate emergent situations by providing a minimum of 24 hours notice to the employee. Employees will receive overtime for the first change unless they have received a minimum of 12 hours off duty. The employee's regular hours of work will revert to the pre-existing schedule when the emergent situation is over.

- 6.01.10 In non-emergent situations, the City may adjust the regular hours of work of an employee to accommodate operational requirements by providing a minimum of seven calendar days notice to the employee. If seven calendar days notice is not given, the employee shall receive overtime premium for those hours worked prior to the expiration of the required notice.

Public Information Officers who are required to work in order to meet the requirements for special events will have their regular hours of work changed to accommodate such service requirements. Such change of hours will not exceed 7.5 hours per day in accordance with article 6.01 of Addendum #1, Compressed Hours of Work Programs. Where a change of regular hours is necessary due to the requirements of service, the City will provide a minimum of 24 hours notice to such employees. Upon conclusion of the special event, employees will revert back to their normally scheduled regular hours of work.

FLEXIBLE HOURS OF WORK

- 6.01.11 Flexible hours of work permit an employee or group of employees to request an adjustment to their regular hours of work, and/or alter the start or end time of their work day, and/or adjust the length of their lunch break, and/or alter their off days.

Supervisors will give reasonable consideration to such requests in order to address the personal needs of the employees. Employees will similarly provide reasonable consideration to requests by their supervisor to make adjustments due to operational requirements.

Both the employees and the City may terminate flexible hours of work arrangements by providing one (1) months written notice to the other party, however the notice period may be shortened whenever practicable.

6.01.12 Rotational Shifts

Employees who work rotational shifts on a seven day a week basis will not be scheduled in excess of 10 hours each day, including time for lunch. Such hours will usually be worked five days a week, except when a shift change requires employees to work six days in that week. In that event, employees will be scheduled for an additional day off the following week to compensate for the missed off day. Hours of work may be established for employees working rotational shifts outside the hours specified in Clause 6.01.01(b).

- 6.01.13 The City will provide the Union with the reasons necessitating the implementation of shifts and will meet with the Union prior to implementation. Should the City and the Union not agree to the shift proposal, the City may

implement the shift and the Union will have the right to grieve the necessity of implementing the shift.

6.01.14 All existing hours of work will remain in effect unless terminated by the City; however, the Union and the City may jointly review the necessity of these hours of work.

6.01.15 Changes to Bi-Weekly Hours of Work or Compressed Hours of Work Program

6.01.15.01 The City and the Union will jointly review any requests to change filled positions from 67.5 to 80 hours or from 80 hours to 67.5 hours. The City shall provide a minimum of sixty (60) days' notice of the change of hours, with the exception of seasonal changes as outlined in 6.01.15.03. Vacant positions assigned 80 hours will be reviewed by the City prior to posting to determine the appropriate hours of work assigned to the position.

* 6.01.15.02 Existing compressed hours of work programs will remain in effect unless terminated by the Department or by a majority of employees participating in the program. The Department may terminate the program by providing a minimum of one month's written notice to participating employees. A majority of participating employees may terminate the program by providing one month's written notice to the Deputy City Manager of the Department.

6.01.15.03 If a Department, Branch or Section identifies an operational basis for changing the bi-weekly full-time hours of work on an ongoing seasonal basis, the City shall provide the Union and the affected employees with the operational rationale and a minimum of sixty (60) days' notice before the initial change in hours takes effect. For subsequent seasonal changes to the employee's hours of work, the City shall provide the Union and employees with a minimum of thirty (30) days' notification.

6.02 Overtime Work

6.02.01.01 Where an employee is required to work in excess of the scheduled hours of work assigned the employee's position, the employee will be paid at two times the employee's regular hourly rate of pay for each hour so worked.

6.02.01.02 Social Workers, Social Planners, Community Service Workers, Recreation Technicians, Recreation Officers, Transportation Technical Assistant I's or employees who are assigned duties relating to recreation and who work variable hours of work and who work overtime will be granted a number of hours off duty, with pay, during regular working hours, equivalent to two times the number of such hours worked in excess.

6.02.02 Employees are not eligible for the overtime premium until they have completed the number of hours included in the scheduled hours of work established for the positions of full-time employees in their department or section thereof.

6.02.03 Employees called out from their residence in order to report to their job site for emergency work outside the scheduled hours of work for their position, but not immediately preceding them, will receive not less than two hours' pay at the specified overtime premium.

- 6.02.04 Overtime will be based on hourly rates. These rates will be determined by dividing the bi-weekly rate of pay of the employee concerned by ten times the employee's average daily hours of work; except that an employee, whose average daily hours of work times five are between 33.75 hours and 40 hours per week, or are 40 hours per week, will have the bi-weekly rate of pay, exclusive of all premiums and adjustments, assigned to the employee from the range of the class of the employee's position divided by 67.5 hours which will constitute the employee's regular hourly rate of pay for the purposes of this section.
- 6.02.05 When the City requires overtime work, it will first endeavour to ascertain if its requirements can be met from those employees willing to work overtime and only in the event of insufficient qualified employees being available will the City be able to direct employees to work overtime. All scheduled overtime will be distributed as evenly as possible among employees in their respective jobs. The City will advise employees of an overtime requirement within a reasonable period of time of the overtime need arising.
- 6.02.06 An employee required to work overtime following the completion of the employee's scheduled hours of work which continues in excess of two hours will be eligible for a lunch break of one-half hour without loss of pay, provided the overtime is to continue. The lunch break will normally occur following completion of two hours' overtime, however, if the conditions of the service require otherwise, the supervisor will assign the lunch period. In the event that overtime continues, such an employee will become eligible for further lunch breaks without loss of pay at intervals of four consecutive hours following the completion of the previous lunch break, provided that overtime is to continue. Regardless of the time of the initial lunch break, it will be deemed to have been taken after the completion of two hours of such overtime work.
- 6.02.07 An employee called out to work overtime will be eligible for a lunch break, without loss of pay, after four consecutive hours of overtime work, provided that overtime is to continue. They will be eligible for further lunch breaks at intervals of four consecutive hours following the completion of the previous lunch break, provided that overtime is to continue.
- 6.02.08 An employee required to work overtime in excess of two consecutive hours immediately prior to the commencement of the employee's regular hours of work will be eligible for a lunch break, without loss of pay, at a time mutually agreed between the employee and the employee's immediate supervisor.
- 6.02.09 An employee who, because of the nature of the employee's job or an emergent situation, does not receive the lunch breaks specified in 6.02.06 and 6.02.07 during the period of overtime work or during the employee's regular hours of work, as specified in 6.02.08, will be paid one-half hour at two times the employee's regular rate of pay for each lunch break missed in addition to the total hours worked and such time will be considered as hours worked.

- 6.03.01 Employees shall have the option to receive overtime, or pay for work on off days, or pay for work on statutory holidays:
- at their regular rate of pay and credit an equal dollar amount to their banked time; or,
 - credit the total dollar amount to their banked time.

The maximum hours employees can accumulate in their overtime bank is normally ten times an employee's average daily hours of work.

Employees who accumulate their banked overtime maximum may only bank further hours worked at premium rates with departmental approval. If the Department does not allow the employee to bank further hours worked at premium rates, the employee shall be paid for such hours worked at premium rates.

- 6.03.02 The time equivalent of dollar amounts in an employee's overtime bank shall be scheduled as time off, at a time mutually agreed by the City and the employee. Failing such mutual agreement, the City has the right to schedule the banked overtime; or, the employee can elect to be paid out in cash, in accordance with 6.03.03.

When employees choose to use their banked overtime as time off, the time equivalent is calculated by dividing the dollar amount in their bank by their regular rate of pay at the time the banked overtime is to be taken. Should the time equivalent of employees' overtime banks be reduced as a result of a pay rate increase, employees can make up the difference such that their banks do not exceed the banked overtime maximum at the new rate.

- 6.03.03 Employees may choose to have any portion of the dollar amount credited to their overtime bank paid off in cash, provided that such payment is made at a time approved by the City.

6.04.04 Employees required to work on an off day will, should they so choose, be eligible to bank monies earned as a result of such work in accordance with the provisions of 6.03-Banked Overtime.

Between March 15 and April 1, the completed vacation leave schedule for all employees shall be posted in each department. Seniority shall prevail in the preparation of this schedule insofar as the efficient operation of the department permits. Seniority for additional choices of vacation leave shall not apply until each employee on such schedule has had the opportunity of indicating their first choice, or has been assigned vacation, as the case may be.

8.02.17 An employee promoted or transferred from one department or from one section to another after February 1 shall not exercise their seniority for the purpose of vacation choice during the first calendar year of employment in the department or section for the vacation selection process under Article 8.02.16.

When an employee is promoted or transferred from one department or from one section to another, the City will make every reasonable effort to accommodate that employee's scheduled vacation.

The City will confirm the status of vacation scheduled for the next vacation year upon posting the vacation schedule in accordance with Article 8.02.16 when an

employee begins in the new position between February 1 and March 31 or within two weeks of the employee's first shift in the new position thereafter.

- 8.02.18 It is understood that no cash settlement will be made for vacation entitlement, except as may be mutually agreed between the City and the employee.

An employee who has been subpoenaed to appear in court or before an administrative tribunal as a witness or juror on a working day, during their regular hours of work, shall be allowed the required time off without loss of pay, at their regular rate of pay, provided that any wage replacement paid to the employee for this appearance is given to the City.

8.03.01.04 Leave for Medical and Dental Appointments

Permanent and probationary employees will schedule and attend their medical and dental appointments on their own time. Only when this is not possible will appointments be allowed on City time, without loss of pay, to a maximum of three hours. 8.03.01.05 Citizenship Court

An employee shall be granted one-half (½) day leave with pay to attend at the Citizenship Court of Canada on the day the employee is to become a Canadian citizen, provided such appearance at Citizenship Court is on their working day during their regular hours of work.

8.03.02 Leave Without Pay

8.03.02.01 An employee elected as a delegate to Union conventions, seminars or training sessions, shall be granted leave of absence without pay. Where absence of more than one person creates a staffing problem within an operating unit, this provision shall be limited to one person.

8.03.02.02 Leave of absence without pay for full-time Union employment shall be granted under the following conditions:

- a) If an employee becomes an official or employee of the Union, the employee shall be granted leave of absence for the purpose of carrying out the duties of the office and shall retain seniority in their department as if they had remained in continuous employment therein.
- b) The employee shall have the right at any time while actively employed by the Union, to return to:
 - 1) the same City position (if available), or
 - 2) a comparable position, or
 - 3) such other position to which the employee may be promoted by reason of seniority and ability,upon giving 30 calendar days notice in writing.

The City shall place the employee into such position no later than 30 calendar days after receiving notice of intent to return, unless otherwise mutually agreed.

- c) Employees shall provide written notice of intent regarding their reversion rights to a City position no later than 30 calendar days following their last date of employment with the Union.
- d) Such an employee shall make regular contributions to the Pension Fund, and all employee benefits, participating in these plans as would a permanent employee of the City. Contributions to these benefits shall be based on earnings during the employee's full-time employment with the Union. The Union shall pay the City's portion, making due allowance for changes in the employee's marital status and number of dependents.

8.03.02.03 Maternity and Parental Leave

8.03.02.03.01 Maternity and/or Parental Leave, relating to the birth or adoption of a child, shall be granted by the City in accordance with City Policy and consistent with existing Provincial and Federal Legislation.

8.03.02.03.02 Maternity leave is the unpaid voluntary leave relating to the birth of a child. Parental leave is the unpaid voluntary leave relating to the birth or adoption of a child.

NOTE: For the purpose of this section, the City's Disability Plans shall include the Short Term Disability Plan (STD), Supplementary Unemployment Benefit Plan (SUB Plan) and Long Term Disability Plan (LTD).

"Valid, health-related portion" shall mean that period of eligible employee's pregnancy during which they are disabled (in accordance with the terms of

the City's Disability Plans) and such disability is substantiated by medical evidence satisfactory to the City.

- 8.03.02.03.03 The City shall grant maternity/parental leave in accordance with the following: Upon written application to their manager, maternity/parental leave will be granted to employees employed for at least twelve (12) consecutive months. Except where otherwise specified in the Employment Standards Code, should no application be made by employees for maternity/parental leave, and they fail to report for work, the employees will be deemed to have resigned their position and the City will be under no obligation to provide future employment.
- 8.03.02.03.04 Maternity leave shall be for a maximum period of fifteen (15) weeks. Parental Leave shall be for a maximum period of thirty-seven (37) weeks. Birth mothers shall be eligible to combine such leave for a period of fifty-two (52) weeks. A birth mother, who takes both maternity and parental leave, must take the leaves consecutively.
- 8.03.02.03.05 Maternity leave shall be applied for in writing at the earliest possible date, but not less than six (6) weeks prior to the date maternity leave is to commence. Such leave may commence at any time up to twelve (12) weeks prior to the estimated date of delivery. If a pregnant employee is unable to perform the duties of their position or such alternate position as may be made available, for which they are qualified, and in the absence of any valid, health-related disability attributable to the pregnancy, the pregnant employee shall be required to immediately commence maternity leave in accordance with the applicable provisions of the Employment Standards Code.
- 8.03.02.03.06 Parental leave shall be applied for in writing not less than six (6) weeks prior to commencement of such leave. Parental leave can begin at any time after the birth or adoption of the child but it must be completed within fifty-two (52) weeks of the date of birth, or the date an adopted child is placed with the parent.
- 8.03.02.03.07 Except in the case of employees as stipulated below, maternity/parental leave shall be without salary or sickness allowance, but employees on such leave will not lose seniority. Employees who are members of the City's Disability Plans as provided for by the City and who provide medical evidence satisfactory to the City to substantiate their disability for the valid, health-related portion of their pregnancy may, subject to the terms of the City's Supplemental Unemployment Benefits Plan (SUB Plan), qualify for SUB Plan benefits for the duration of the valid, health-related period. Receipt of such SUB Plan benefits shall commence no sooner than the date of delivery, subject to the provisions contained in the SUB Plan. Employees who are members of the City's Disability Plans and who otherwise do not meet the conditions for eligibility for SUB Plans during the valid, health-related portion of their pregnancy will be governed by the terms of the City's Disability Plans.

A pregnant employee who is a member of the City's Disability Plans and who subsequently experiences a maternity complication related to the valid,

health-related portion of their pregnancy after the conclusion of the maximum period during which SUB Plan benefits may be available, shall be entitled to receive the balance of disability benefits paid at the applicable level. Upon providing an appropriate medical certificate, a pregnant employee may commence sick leave prior to their estimated date of delivery. Such sick leave shall not be considered part of maternity/parental leave.

- 8.03.02.03.08 Whenever employees are absent for more than the approved period of maternity/parental leave, unless the absence is due to a maternity complication related to the valid, health-related portion of the pregnancy and is substantiated by medical evidence satisfactory to the City, they shall automatically be deemed to have terminated their employment when said period expires.
- 8.03.02.03.09 Employees returning from maternity/parental leave within the approved period shall be given the same position at their current rate of pay, and shall provide as much notice as possible, but not less than four (4) weeks notice to the City of their return to work. If the same position is not available then a comparable position will be found.
- 8.03.02.03.10 Employees, who choose to carry benefits while on a leave of absence are required to pay both the City and the employee portions of applicable benefits when employees are granted leaves of absence without pay in excess of ten (10) consecutive working days. Arrangements are to be made prior to the commencement of the leave through the Employee Service Centre.

8.03.03 Other Leaves of Absence

Other leaves of absence without pay may be granted, at the discretion of the City, to an employee.

8.03.04 Other Employment

An employee engaged in other employment for gain while on leave of absence without the express written consent of the City shall be deemed to have automatically terminated their service with the City.

8.04 Supplementation of Compensation Award

If an employee is prevented from performing the employee's regular work with the City on account of an occupational accident that is recognized by the Workers' Compensation Board as compensable within the meaning of the Workers' Compensation Act, the City will supplement the award made by the Workers' Compensation Board for loss of wages to the employee by such an amount that the award of the Workers' Compensation Board for loss of wages (excluding non-economic loss payment), together with the supplementation by the City, will equal 100% of the employee's regular net wage (gross pay less statutory deductions, union dues and required benefit plan contributions). The said supplementation shall not be payable to any employee entitled to compensation after pension age if such an employee is entitled to an unreduced pension as provided under the Local

Authorities Pension Plan or after the full age of 65 years if such an employee is not entitled to a pension. Subject to the foregoing limitation, the procedure to be followed in operating this policy shall be as follows:

- 8.04.01 Any permanent employee, on completion of the necessary assignment to the City of the employee's compensation payments for loss of wages, will be carried on the payroll of the City at 100% of the employee's regular net wages (gross pay less statutory deductions, union dues and required benefit plan contributions) until the Workers' Compensation Board certifies that the employee is able to return to work or until granted an Economic Loss Payment by the Workers' Compensation Board for either partial or total disability, whichever may be the sooner.
- 8.04.02 The cases of compensation to temporary employees shall be referred to the City Manager for authority to supplement the Workers' Compensation Board Award and, if such supplementation is approved, it will be made from time to time as the advances of compensation payments are received from the Workers' Compensation Board. In no event, however, shall the period of supplementation for temporary employees exceed three months without the approval of the City Manager.

- the purchase by an employee of safety boots or shoes approved by C.S.A. and the Department, or
- the refurbishment of such safety boots or shoes, in the amount of 50% of the cost of such safety boots or such refurbishment or \$60.00, whichever is the lesser.

Employees who have received a safety boot subsidy and who request a subsequent subsidy shall show just cause why they should receive a subsequent subsidy.

Employees who do not complete 30 days' continuous employment with the City shall not be eligible for a safety boot subsidy.

8.07 Parking

8.07.01 The City agrees that, where an employee is provided parking with plug-ins, the employee shall pay \$4.00 parking per month for the use of such stall. Where plug-ins are not available, there shall be no charge for the use of such stall.

8.07.02 An employee who uses their private motor vehicle on a continuing basis in order to perform business for the City of Edmonton in a metered area shall be provided with an identification card for their vehicle which will allow them to park at designated City meters free of charge.

8.07.03 An employee who uses their private motor vehicle on a continuing basis in order to perform business for the City of Edmonton in a non-metered area shall either have:

- access to an identification card for their vehicle which will allow them to park at designated City meters free of charge, or
- be reimbursed for parking expenses incurred as a result of legally parking their vehicle at City of Edmonton parking meters or at a private parkade if City of Edmonton parking meters are not available.

Reimbursement for expenses shall be made upon the presentation of receipts or a claim.

* 9 Probationary Period

* 9.01 Except as otherwise provided in 9.02 and 9.03 below, the probationary period for new or current non-permanent employees hired into permanent positions shall be three (3) months.

** 9.02 The probationary period for new or current non-permanent employees hired into permanent positions in the following classifications shall be six (6) months:

- Assessor;

* 9.03 The probationary period for new or current non-permanent employees hired into permanent positions in the following classifications shall be twelve (12) months:

- Emergency Communications Officer; and
- Emergency Communications Officer (Opportunity Concept)

* 9.04 Notwithstanding 9.01 and 9.02 above, where the City provides the operational rationale, the Union may agree to establish a probationary period to a maximum of one (1) year for certain classifications.

* 9.05 Except for those classifications listed in 9.02 and 9.03 above, the City shall issue an employee a written performance appraisal upon completion of each three months of the employee's probationary period. For those classifications listed in 9.02 and 9.03, the City shall issue the employee a written performance appraisal upon completion of six or twelve months respectively.

9.06 The City has the right to extend an employee's probationary period to a maximum of one year. The employee and the Union will be advised of the City's reasons for extension and the affected employee shall receive a copy of the written performance appraisal.

9.07 New employees who do not meet the requirements of the position or for permanent status during the probationary period shall be separated from the service.

10 Promotions

- 10.01 In making promotions to vacant positions coming within the jurisdiction of the Union, the required knowledge, qualifications and skills contained in the job posting shall be the primary considerations and, where two (2) or more applicants are qualified to fulfil the duties of the position, seniority shall be the determining factor.
- * 10.02 Except as otherwise provided in 10.03 and 10.04 below, a permanent employee who has been selected to fill a permanent position on a promotion shall have a trial period of (3) months.
- ** 10.03 A permanent employee who has been selected to fill a permanent position on a promotion to any of the following classifications shall have a trial period of six (6) months:
- Assessor;
 - Assessor Assistant;
 - Assessor Intern;
 - Associate Assessor;

- ** 10.04 A permanent employee who has been selected to fill a permanent position on a promotion to any of the following classifications shall have a trial period of twelve (12) months:
- Emergency Communications Officer; and
 - Emergency Communications Officer (Opportunity Concept)
- * 10.05 Trial periods may be extended to a maximum of one (1) year in special cases. In the event that the normal trial period is extended, the employee and the Union shall be advised of the City's reasons and the affected employee shall be provided with a copy of their written performance appraisal. The City shall issue an employee with a further performance appraisal upon completion of each three (3) months of that employee's extended trial period.
- 10.06 During the trial period, an employee may elect to revert to their former position or may be reverted by the City.
- 10.07 Any employee having the seniority and qualifications to fill a higher vacant position and who, for any reason, declines or refuses to accept such position when it is offered to them in writing, shall become junior to the employee who is appointed. This clause shall not apply to a temporary position of less than one (1) week's duration. Where a permanent employee is selected to fill a higher vacant temporary position, the permanent employee shall be allowed to revert to their previous permanent position or a comparable one at their former rate of pay, after the completion of the temporary position. Where the length of the temporary promotion is less than or equal to nine (9) months, the City shall have the right to appoint an

employee to fill the permanent employee's position without posting it as a vacancy. This provision shall however be subject to the layoff provisions enunciated in article 11.

10.08 Employees shall be eligible to apply for positions not coming within the scope of this Agreement and shall receive consideration in accordance with their qualifications, experience and seniority. However, it is expressly declared that nothing in this Agreement shall be deemed to bind the City to appoint an employee to a position which does not come under the jurisdiction of the Union.

10.09 Any permanent employee who is presently in an over-ranged position will be permitted to apply for, and will be considered for, a position deemed as being one which provides a better opportunity for future promotion, even though such employee will be over-ranged in that position.

A permanent part-time employee shall be considered to be applying for a promotion when applying for a permanent full-time position within the same pay range as the employee occupies on a permanent part-time basis. Such promotion shall not, however, entitle the employee to an increase in pay as stipulated in article 7.01.

10.10 Where there is a question as to qualifications of applicants, for any position, an examination may be held. The format of the examination will be discussed with the Union.

11 Layoffs, Recalls, Technological Change and Transfers

11.01 Layoffs and Recalls

11.01.01 A workforce reduction is the reduction in the number of permanent positions that results in the displacement or layoff of permanent employees.

11.01.02 When the City believes a workforce reduction is required, the City will identify:

- the organizational unit (department, branch or section) where workforce reduction(s) will be required, and
- the number of positions within each class that may be eliminated by the workforce reduction.

The City will notify the Union of the business rationale supporting the above. The City and the Union will meet to consider alternatives to workforce reduction and discuss the process of informing affected employees of their potential displacement or layoff, and ways to involve the employees in considering alternatives.

If the workforce reduction is unavoidable, the City will identify the employees who may be displaced from their assigned positions or laid off and discuss the timing of the workforce reduction with the Union.

11.01.03 Prior to implementing a workforce reduction, temporary and provisional employees in an organizational unit will be terminated and temporary positions will be eliminated as operational circumstances permit.

11.01.04 A permanent employee who occupies a higher temporary position within a class being reduced, will be returned to their permanent position, if available, or to a comparable position. A permanent employee who is working at an Opportunity Concept level, within a class being reduced, will be returned to their former position, if available, or to a comparable position, at their former rate of pay. An employee who did not hold a position within the bargaining unit immediately prior to entering an Opportunity Class or a permanent employee working in a temporary position who does not have a position to return to will be deemed to have the least overall Union seniority for the purposes of 11.01.

11.01.05 If the City confirms that a workforce reduction is required, the permanent employee in the class to be reduced who has the least overall Union seniority will be the first displaced from the class.

11.01.06 A permanent employee who is displaced from their class by workforce reduction may be eligible to be placed in an alternate permanent position within the same branch in an equally paid or lower paid classification, provided that:

- a) the employee is qualified to perform the duties of the alternate position; and
- b) the employee is senior to the current incumbent.

11.01.07 If a displaced employee is eligible to be placed in two or more classes with the same pay range, the employee will only be eligible for placement into the position occupied by the employee with the least overall Union seniority among these classes.

- 11.01.08 If there is a question as to the employee's ability to perform the required duties of the alternate position, the City reserves the right to establish a trial period of up to six months. At any time during the trial period, the City or the employee may deem the trial period to be unsuccessful. Under these circumstances, the displaced employee may elect to exercise rights to the next lower class for which the employee is senior and qualified.
- 11.01.09 A permanent employee who is displaced from their class and declines an alternate position or is not eligible for placement in an alternate position will be laid off.
- 11.01.10 A permanent employee who is laid off as a result of workforce reduction will receive the following notice or pay in lieu of notice:
- a) less than four years of service: 2 weeks
 - b) four or more, but less than six, years of service: 4 weeks
 - c) six or more, but less than eight, years of service: 5 weeks
 - d) eight or more, but less than ten, years of service: 6 weeks
 - e) ten or more years of service: 8 weeks
- * 11.01.11 Clauses 11.01.01 to 11.01.10 will not apply in instances where the workforce reduction is estimated to be of a duration of 30 days of work or less. Under these circumstances, the affected employee will have the option, with the approval of the department, to use vacation or banked overtime credits rather than be laid off for any days applicable to this clause. The City will also make every reasonable effort to retain the employee for the duration of the short-term layoff.
- 11.01.12 If the number of permanent positions in a department, branch or section is to be increased, a permanent employee formerly belonging to the department, branch or section and class to be increased who has been displaced or laid off within the previous 24 months will, if available, be recalled in the reverse order of their displacement or layoff, in preference to other applicants.
- 11.01.13 A laid off permanent employee who is recalled to a permanent position within 24 months of their layoff will retain the same seniority and benefits they had as a permanent employee prior to layoff.
- 11.01.14 A permanent employee who is laid off and subsequently recalled within 24 months into a temporary position within the scope of this collective agreement will be considered a provisional employee.
- 11.01.15 A permanent employee on layoff will retain the seniority they had at the time of layoff and be able to exercise their rights in accordance with Article 10 when applying for vacant positions within the City. Such employee will be granted an interview and be given due consideration for all positions for which they apply and for which they are considered qualified. The provisions of this clause apply during the 24 month period following layoff.
- 11.01.16 A provisional employee who is terminated due to a workforce reduction will be eligible for recall into their former position following the placement of all eligible permanent employees and prior to the hiring of temporary employees into such positions.

NOTE: For the purposes of workforce reductions in the Edmonton Police Service, reference in this article to “Branch” shall mean “Bureau”, except in the case of the Corporate Services Bureau (as it is currently known), where the organizational unit for bumping will be determined at the time of the reduction.

11.02 Technological Change

- 11.02.01 An employee classified as a permanent employee shall be considered displaced by technological change when their services shall no longer be required as a result of a change in plant or equipment or a change in a process or method of operation diminishing the total number of employees required to operate the department in which they are employed.
- 11.02.02 Permanent employees so affected will be given reasonable advance notice in order that they may take advantage of all available opportunities commensurate with their abilities.
- 11.02.03 The City agrees that, wherever possible, no employee shall lose employment because of technological change; however, whenever it is necessary to reduce staff, it will be done in accordance with the layoff procedures outlined in this Agreement.
- 11.02.04 The City and the Union, in co-operation with Government, agree to participate in every way possible in training and retraining employees.

11.03 Transfers

11.03.01 Transfers of Over-ranged Employees

- 11.03.01.01 No permanent employee who becomes over-ranged as a result of a reclassification of their position shall be dismissed (or suffer any reduction in wages) except for just cause or as a result of layoffs or staff reductions affecting such over-ranged employee. However, an employee who is recalled to their former position in which they were over-ranged shall be recalled at their former rate of pay provided such recall is within twenty-four (24) months of their layoff.

However, the City shall have the right to transfer an over-ranged employee to any vacant position for which they are deemed to qualify, said position being the same pay range of the position being vacated, or higher, in order to remove or to retrain the employee through experience so that they may progress to a position which will remove them from the over-ranged status.

- 11.03.01.02 Should the City determine that the said employee does not qualify for continuance in the new position, based on a written performance appraisal completed during the trial period, they shall be reverted to their former or equivalent position with not less than their former rate of pay.

11.03.02 Lateral Transfers

- 11.03.02.01 When an employee is laterally transferred and regarded as having adequate preparation for the new position, they shall suffer no loss in pay. However, if

the employee is not fully qualified for the new position, they shall suffer no more than a two-step reduction in pay. Upon satisfactory performance at the end of the first three (3) months in the new position, they shall regain one (1) step and, at the end of the next three (3) months of service, they shall regain the second lost step.

- 11.03.02.02 Employees shall be eligible for lateral transfer in accordance with or notwithstanding the posting procedure.

11.04 Job Security

11.04.01 Without restricting its right to determine the methods by which municipal services are to be provided, the City agrees that no permanent employee shall be laid off or have their employment terminated as a result of contracting out work or services of a kind performed by such permanent employee.

11.04.02 If any position to which a permanent employee has been promoted is abolished as a result of contracting out work, the employee holding such position shall revert to the permanent position they formerly held within the branch (if branches are named) or department concerned.

11.04.02.01 If there are no permanent positions available to which a permanent employee may revert as a result of contracting out work, then they shall have the right to firstly fill any position occupied by a temporary employee at the time of the layoff within the department concerned, provided that they are qualified for the position and, secondly, fill any position occupied by a provisional employee at the time of layoff within the department concerned, provided that they are qualified for the position.

11.04.02.02 If there are no positions available to which a permanent employee may revert within the department concerned, then they will be offered employment for which they are qualified in another department.

11.04.02.03 Should a permanent employee refuse to revert to another position within their department or refuse to accept an offer of employment in another department, then they will be laid off. In this event, they will be recalled in accordance with the provisions of 11.01.

12 Posting and Filling Vacancies

12.01 Any vacancy required to be filled must be posted immediately and shall be conspicuously posted, for a period of seven calendar days, in all departments having jobs coming within the jurisdiction of the Union.

A copy of all postings or internal bulletins shall be sent to the Union.

12.02 Should it be desirous not to fill a vacancy, the matter will be reviewed by the parties to this Agreement.

12.03 Where the conditions of the service indicate that the position is required to be filled immediately, a temporary appointment may be made for the duration of the posting procedure which shall in no instance exceed 90 calendar days.

12.04 Grievances arising out of posting and filling of vacancies shall be initiated and processed in accordance with the dispute resolution procedure.

12.05 Electronic applications are encouraged; however, paper applications shall be accepted and shall be addressed to the Human Resources Branch, clearly indicating the appropriate job requisition number and the return address of the applicant. All applications will be considered as submitted by the applicant.

The Human Resources Branch shall notify the Union of the selected applicant and the names of all internal employees within the Union's jurisdiction who were unsuccessful applicants, upon completion of the selection process. The Human Resources Branch shall also notify each internal employee who was an unsuccessful applicant of the name of the successful applicant.

Appointment of the selected candidate shall be final, subject to satisfactory completion of the required probationary (or trial) period, or the outcome of any grievance filed within the required timelines, from the date the last employee received notification from the City.

12.06 The City shall have the right to fill vacancies which result from:

- reversions from a trial period, or
- terminations of employment during a probation period, or
- employees vacating temporary positions,

from among the original applicants to a posting without re-posting such vacancies.

The right to make a selection out of the original competition file in these circumstances will extend for a period of nine (9) months from the date of a temporary appointment made in accordance with article 12.03 and/or for a period of six (6) months from the date that the position was originally posted.

12.07 Appointments may be made by mutual agreement between the Union and the City without posting.

12.08 Appointments from within the bargaining unit shall be made within three weeks of the selection of a candidate unless a grievance is filed.

12.09 Where the estimated duration of a temporary position exceeds 90 calendar days, the temporary position shall be posted, except where the duration of the temporary position is uncertain due to illness or injury of the incumbent. In such cases, an appointment may be made for up to 150 calendar days.

The City may make additional appointments for up to 150 calendar days when further vacancies occur from backfilling the position of the original incumbent on leave as described above.

In cases where additional appointments up to 150 calendar days are made, the union shall be notified of each additional appointment and the original incumbent off on leave and all appointments directly occurring from that incumbent's leave. The City and the Union will mutually agree to the form that will be used to track these appointments.

12.10 Where a temporary position is posted, the estimated duration of such position shall be set out in the posting and shall be subject to the provisions of article 19.

12.11 Where the estimated duration of a temporary position created as a result of a permanent or probationary employee being granted maternity leave is 27 weeks or less in duration, the affected department may fill such temporary position by means of an internal posting.

Copies of all internal postings shall be forwarded to the Union.

- * 12.12 In instances where a permanent employee is appointed to temporarily act in a managerial or out-of-scope (non-Union) position for eighteen (18) months or less and such employee is reverted or chooses to revert to their former position or an equivalent position within the scope of this Agreement, then no posting shall be required to complete such reversion. Employees will have no access to the Dispute Resolution Process under Article 16 for incidents or events that occur while they are in an out-of-scope (non-Union) or management position.

Upon reversion such employee's seniority standing within this Agreement shall be deemed to be uninterrupted and shall include the time period during which the employee assumed the duties of such position outside the scope of this Agreement. Employees shall continue to have Union dues deducted from their wages in accordance with the provisions of 5.04 while in the temporary position.

- * 12.13 In instances where a permanent employee is appointed to a position which is outside the scope of this Agreement and such employee is reverted, or chooses to revert to their former position or an equivalent position within the scope of this Agreement during the employee's probationary period or trial term in the new position, and where such probationary period or trial term does not exceed six months, then no posting shall be required to complete such reversion. Employees will have no access to the Dispute Resolution Process under article 16 for incidents or events that occur while they are in an out of scope or management position.

Upon reversion, such employee's seniority standing within this Agreement shall be deemed to be uninterrupted and shall include the time period during which the employee was working out-of-scope of this Agreement, provided the employee pays the Union the equivalent of all dues which would have been deducted from their wages in accordance with the provisions of 5.04. for the period they were working out-of-scope.

13 Seniority

- 13.01 When an employee achieves permanent status, their length of unbroken employment as a probationary, permanent, full-time temporary, and full-time provisional employee in positions coming within the jurisdiction of this Agreement shall determine their seniority standing.
- 13.01.01 When two or more employees have equal seniority standing, their relative seniority standing shall be determined by their payroll number. A lower payroll number will result in higher relative seniority standing.
- 13.02 When an employee achieves provisional status in accordance with clause 3.21, their length of unbroken employment as a provisional employee in positions coming within the jurisdiction of this Agreement shall determine their seniority standing relative to other provisional employees. In no event shall a provisional employee have any seniority over a permanent or probationary employee, however a provisional employee shall be given seniority over temporary employees.
- 13.03 Temporary employees shall not have seniority standing.
- 13.04 Should a permanent employee, who assumes the functions of a position which is outside of the jurisdiction of this Agreement, be reverted to a position within the scope of this Agreement in accordance with the provisions of 12.13, then such employee's seniority standing within this Agreement shall be deemed to be uninterrupted and shall include the time period during which the employee assumed the duties of such position outside the scope of this Agreement.
- 13.05 Lists showing the length of unbroken service of employees by department shall be furnished annually by the City to the Union upon request but not more than once a year. The City shall provide to the Union upon request a list showing the seniority of employees directly affected by an individual grievance.

13.06 Loss of Seniority

An employee shall not lose seniority rights if they are absent from work because of sickness, accident or layoff. Nor shall an employee lose any seniority rights if they are on leave of absence approved by the City.

- 13.06.01 An employee shall lose their seniority only in the event that:
- 13.06.01.01 they are discharged for just cause and are not reinstated;
- 13.06.01.02 they resign;
- 13.06.01.03 they are laid off and fail to report for work within seven calendar days after being notified in writing to do so, unless failure is due to sickness or other just cause. It shall be the employee's responsibility to keep the City informed of their current address;
- 13.06.01.04 they are laid off for a period longer than twenty-four (24) months.
- 13.06.01.05 they voluntarily transfer to a non-permanent part-time position. Such employee will be given a provisional seniority date as follows:
- if the employee had a provisional seniority date prior to attaining permanent status that seniority date will be the employee's new provisional seniority date

- if the employee was hired into a permanent position, without having attained a provisional seniority date, their new seniority date will be 1,755 hours after they were hired into the permanent position, or 1,755 hours after they commenced continuous service to become a permanent employee.

13.07 Seniority for Jurisdictional Transfers

- 13.07.01 An employee's seniority within the jurisdiction of the collective agreement between the Union and the Edmonton Public Library Board shall not be applicable when applying for promotions or transfers to positions coming within the scope of this Agreement. However, once an employee has effected such a transfer or promotion, their seniority shall be based on their continuous employment as a probationary and permanent employee in positions coming within the jurisdiction of the above-mentioned Agreement in addition to their unbroken service in positions coming within the scope of this Agreement.
- 13.07.02 Permanent CSU 52 employees who transfer from the Edmonton Public Library to a position within the jurisdiction of this Agreement shall have their earned vacation reconciled upon transfer. In the employee's first year or portion thereof within the jurisdiction of this Agreement, the employee shall earn vacation in accordance with article 8.02.01.01. Thereafter, the employee's length of unbroken service in positions coming within the jurisdiction of the above Agreements shall be used to determine vacation entitlement.

13.08 Staff Support Seniority Upon Attaining Permanent Status

The City is prepared to recognize staff support service for the purpose of Civic Service Union 52 seniority provided that the following criteria are all met:

- 13.08.01 When an employee achieves permanent status, their length of unbroken employment as a probationary, permanent, full-time temporary and full-time provisional employee in positions coming within the jurisdiction of this agreement shall determine seniority standing. Full-time temporary employment shall include full-time staff support assignments within Civic Service Union 52's jurisdiction, providing service is unbroken. Given the nature of support staff assignments, all periods without hours worked for longer than two (2) consecutive weeks, with the exception of annual consecutive three (3) week vacation periods, will break the full-time staff support continuous service that may be recognized.
- 13.08.02 All employees who terminate employment with Support Staff Services will be provided with a list of their unbroken staff support service that may be recognized for the purpose of seniority. Those with staff support service must apply to have this service recognized within sixty (60) days of attaining permanent status. Each employee will be required to sign an acknowledgment, at the time of resignation from Support Staff Services, that they have been advised of these dates of applicable unbroken service and of the conditions under which this service may be considered for the determination of seniority standing.
- 13.08.03 Only support staff service accrued after February 1, 1996 will be considered for seniority purposes, and will have no retroactive application.

14 New Classes

- 14.01 In the event that the City creates a new class which is not included in this Agreement and which falls within the jurisdiction of the Union, the rates of wages and/or working conditions shall be negotiated by the City with the Union before advertising any position within this class in accordance with the posting procedures set forth in this Agreement.

The City will provide the Union with a class specification and written rationale, which may include both internal and external comparisons, supporting their proposals for wages. The Union will respond in writing to the City's rationale.

- 14.02 If a satisfactory conclusion to negotiations has not been reached within seven (7) calendar days of the date of the notice by the City to the Union of the creation of the said class, the posting of any vacancy in this class shall be made according to the rates of wages and working conditions set out by the City but, notwithstanding such posting, the rates of wages and working conditions of the new class shall still be a matter of negotiation between the City and the Union, and the notice of posting shall contain the following statement:

"The final settlement for rates of wages and working conditions is being negotiated. The resultant rates of wages shall be retroactive to the date of the appointment."

15 Developmental Positions

15.01 Opportunity Concept

- 15.01.01 The Opportunity Concept is designed to enable those employees who do not possess the required training and/or experience and are therefore unqualified, to successfully compete for certain higher level jobs at the job level, and to be considered for the higher level job through on-the-job training. The concept contemplates a training period of varying duration, depending on the Opportunity Class, with quarterly or semi-annual performance and salary reviews. Appointment to a position under the Opportunity Concept shall be at the City's discretion, and subject to the suitability of other applicants and/or the City's operational requirements. Employees applying under the Opportunity Class Concept shall not be able to exercise seniority when applying for such higher level positions in the Opportunity Class.
- 15.01.02 An employee within the bargaining unit entering an Opportunity Class shall suffer no loss in pay, however, where their current salary on entering the class overlaps the Opportunity Class salary range, they shall not receive a salary adjustment until such time as their quarterly or semi-annual performance assessment in terms of salary exceeds that employee's salary upon entering the Opportunity Class.
- 15.01.03 An employee who held a position within the bargaining unit immediately prior to entering an Opportunity Class and who withdraws or is withdrawn by the City from the Opportunity Class prior to attaining job level shall revert to their former position, if available, or to a comparable position, at their former rate of pay. An employee who did not hold a position within the bargaining unit immediately prior to entering an Opportunity Class and who withdraws or is withdrawn by the City from the Opportunity Class, shall be separated from the civic service.

15.02 Administration of Employment Terms and Conditions

The Union and the City agree to the following principles regarding internal and external candidates who are placed on terms and conditions (outside of the opportunity concept) in order to meet the job qualifications for the position they have been selected to fill:

- 15.02.01 All terms and conditions arrangements (per the attached templates) must be agreed to by the Union, the City and the employee. Requests will be reviewed and agreed upon with the Union prior to the employee signing off their agreement.
- 15.02.02 Terms and conditions will normally be based on the qualifications, skills and experience requirements outlined in the Class Specification and the Position Description. It is acknowledged by both parties that a wide spectrum of terms and conditions scenarios may be established; however the general expectation is that they will normally involve educational requirements that relate closely to the requirements of the job (i.e. completion of certifications, credentials or course work that is listed in the position description).

- 15.02.03 Employees will normally be expected to complete their terms and conditions within a two (2) year period. Any amendment to the duration will be agreed to by the Union, the City and the employee.
- 15.02.04 Individual development plans will be developed, by the City for each employee on terms and conditions. The supervisor will monitor the employee's progress on a regular basis. Any changes to the development plan will be discussed with the employee and the Union.
- 15.02.05 Conditions of employment, such as repayment for relocation expenses, starting salaries, starting dates and other incidental administration of the collective agreement may form part of an employee's employment offer and will not be considered as terms and conditions requiring the Union's agreement.
- 15.02.06 Candidates hired from within the City, who fail to meet their terms and conditions, will be reverted to their previous position or a position with an equivalent pay range.
- 15.02.07 External candidates, who fail to meet their terms and conditions, will have their employment with the City terminated.
- 15.02.08 Should the City determine that an employee will either be reverted or have their employment terminated, the City will implement their termination or reversion in a reasonable manner.
- * 15.02.09 The Union reserves the right to dispute the reversion or termination of an employee under the terms of the Dispute Resolution process if they believe the employee has met their terms and conditions, or they believe the City has not implemented the reversion or termination in a reasonable manner. In the event the Union alleges violation of the terms and conditions agreement by the City, then that alleged violation may also be the matter of a dispute under the Dispute Resolution process.

- Maternity leave of absence; and/or
 - Parental leave of absence; or
 - Extended leave due to illness or injury,
- shall not automatically become a permanent employee by virtue of being continuously employed for a period of twelve (12) months and shall retain their temporary status while replacing the permanent employee. The retention of temporary status in this case shall not exceed a period of eighteen (18) months.
- The City may fill a second temporary vacancy on the same terms when the vacancy directly results from the circumstances outlined above, without impacting the temporary or provisional status of the employee. The Union shall be notified of the original incumbent the vacancy relates to.

19 Position Review

A temporary position should not exceed twelve (12) months, except where a vacancy is posted in accordance with Article 18.02. Should it be desired to extend said period beyond twelve (12) months, the matter must be agreed to by the parties to this Agreement.

22 Job Evaluation Review and Appeal Process

- 22.01 When significant changes to the duties or responsibilities occur to positions, the City or the employee may initiate an evaluation review.

EMPLOYEE INITIATED EVALUATION REVIEW

- 22.02 An employee who considers that the duties or responsibilities of their position have been significantly changed since the last evaluation review may request and shall receive a copy of their current position description from their supervisor and may request a review of the allocation of their position.

- 22.03 To initiate the request, the employee will complete a new position description form (Parts I and II) along with a statement as to why a change should be considered to their current classification. This information shall then be forwarded to the employee's immediate supervisor so that Part III of the position description form can be completed. Once Part III has been completed, the supervisor shall return the position description back to the employee who will then forward the completed position description form(s) to Compensation Section and the Union.

Part III of the position description form that is filled out and signed by the immediate supervisor and/or first level manager must agree with what the employee has provided in Part II with regards to their job duties before the position description form can be submitted to the Compensation Section for review.

If the employees' immediate supervisor is a member of the Union, the position description form must also be signed off by a first level manager before the position description form can be submitted for review.

A completed position description form includes Parts I and II completed and signed by the employee, a statement as to why a change should be considered to the employee's current classification as well as Part III completed and signed by the immediate managerial supervisor.

- 22.04 Upon receipt of the completed position description form, the Compensation Section in conjunction with the Union will review the position. As part of the review process the Compensation Section will co-ordinate a joint position review with the Union, and interviews will be conducted with the incumbent. Compensation will within 30 days of receiving the completed position description form, contact the employee and Union to set a date for the review. As a result of the review, Compensation and the Union may consult on the findings.

- 22.05 The Compensation Section will provide a written decision to the employee within 90 calendar days from the commencement of the position review. The Compensation Section will provide a copy of the decision to the parties involved in the review and the Union. If any adjustment is required to the employee's salary and anniversary date, the reclassification shall be retroactive to the date the Compensation Section received the completed position description form.

Employees receiving a reclassification upwards shall receive an increase to the first step above their present regular rate of pay in the pay range of the new class or to the initial step in the pay range of the new class.

POSITION EVALUATION APPEAL PROCESS

- 22.06 An employee who disagrees with the decision made by the Compensation Section may initiate an appeal within 14 calendar days of receiving the written decision. If an appeal is not initiated within 14 calendar days, the matter is considered resolved and further action cannot be initiated for 12 months from the date the employee received the decision.
- 22.07 A request to appeal must be made in writing to the Union. The request will include a copy of the position description and rationale for the appeal. The employee must also send a copy of the request to the Compensation Section within 14 calendar days of receiving the written decision. If Compensation Section has not received this request within 14 calendar days of the employee receiving the written decision, the matter is considered resolved and cannot be initiated for 12 months from the date the employee received the decision.
- 22.08 If the Union agrees to support the employee's appeal, the Union will provide detailed written rationale within 90 calendar days of receiving the employee's request. This detailed rationale will be submitted to the Compensation Section. If no detailed written support is provided to the Compensation Section within 90 calendar days, the review will be considered resolved and further action cannot be initiated for 15 months from the date the employee received the original decision.
- 22.09 Upon receipt of the detailed rationale from the Union, the Compensation Section will review the appeal documents and advise the Union and the employee if any further action will be taken. If, because of the appeal, additional changes are implemented, the effective date of the change will be the date that the Compensation Section received the initial completed position description form. This process will be concluded within 14 calendar days of the Compensation Section receiving the appeal documents from the Union.
- 22.10 Should the decision of the Compensation Section fail to resolve the appeal, the Union may advance the appeal to the Umpire within 14 calendar days of receipt of the written decision from the Compensation Section. If no notice of appeal to the Umpire is received by the Compensation Section within 14 calendar days of Compensation providing the Union with a written decision, the matter will be considered resolved and further action cannot be initiated for 15 months from the time the employee received the original decision.

POSITION EVALUATION UMPIRE PROCESS

- 22.11 The procedure to be used in the selection of an Umpire shall be as follows:
- 22.11.01 The City and the Union agree to jointly appoint an Umpire, who is knowledgeable in position evaluation to hear appeals. Both parties shall exchange lists of potential Umpires. In the event that one or more persons are named on both lists, the selection shall be made from those persons.
- 22.11.02 The Umpire shall act on all appeals submitted to them for a period of 1 year commencing from the date of their appointment. After such period, the City and the Union shall review the performance of the Umpire and shall, upon mutual agreement, appoint them for an additional term of 1 year or, where no agreement exists, shall initiate the procedure for the selection of a new Umpire.

- 22.12 The Umpire shall, within 90 calendar days of the Union advancing the challenge to the Umpire, hold a hearing on any appeal.
- 22.12.01 The City and the Union shall share equally the Umpire's fees and other expenses of the hearings.
- 22.12.02 The City and the Union will provide the Umpire with the written rationale for the parties' respective submissions at least 7 calendar days before the hearing. Each party will provide the other with a copy of their submissions.
- 22.12.03 The Umpire shall set the procedure with respect to any hearing.
- 22.12.04 The Umpire may request the testimony of any persons who have knowledge of the duties and responsibilities of the position and such written or other evidence as may be required.
- 22.12.05 The Umpire shall determine the allocation of the position to a class within the same occupational series or if such series is inappropriate the Umpire shall direct the City to allocate that position to an appropriate existing class or to establish a new class. Such decision shall be implemented by the City within 90 calendar days from the date that the City received the Umpire's written decision.
- 22.12.06 Provided a reclassification of a position to a class having a higher pay range is the outcome of the Umpire's decision, the Umpire may, provided such request is in accordance with clause 7.01.04, determine the appropriate step to be assigned the employee in the higher pay range.
- 22.12.07 The Umpire shall communicate the decision and reasons thereto in writing to the Union and the City and such decision shall be final and binding upon the parties. This decision will be communicated within 30 calendar days of the hearing.
- 22.12.08 The Umpire shall not alter, amend or vary any term or condition of this Agreement.
- 22.13 Regardless of the decision of the Umpire, the incumbent may not request another review of their position until at least 12 months after the date of the Umpire's decision.

EVALUATION REVIEW EFFECTIVE DATE

- 22.14 If any adjustment is required to the employee's salary and anniversary date, the reclassification shall be retroactive to the date the Compensation Section responsible for position evaluation received the written request for review. Any further increment adjustments will be in accordance with Article 7.01.04.
- 22.15 In the event that an employee initiates an evaluation review and it is found that a management initiated review has been conducted in the previous 30 calendar days, the effective date of the employee initiated request shall be retroactive to the date the Compensation Section responsible for position evaluation received the formal written request for the management initiated review.

TIMELINES

- 22.16 The mandatory time limits specified in this section may be waived with the mutual consent of both parties.

23 Letters of Understanding

- * During the process of collective bargaining for the 2018-2020 collective agreement, Letters of Understanding reduced to writing and executed by agents of the City and the Union shall become part of the said collective agreement.

24 Safety

- 24.01 Employees are encouraged to report any unsafe conditions to their supervisor or to the department safety officer. If the unsafe condition is not corrected, then the employee should bring the unsafe condition to the attention of the Union.
- 24.02 No employee shall operate any tool, appliance or equipment that will cause to exist an imminent danger or carry out any work where there exists or will cause to exist an imminent danger to the health and safety of that employee or any other employee present at the work site.

25 Health and Welfare Benefits

Provisional employees shall be entitled to sick leave with pay on the following basis:

- Two (2) times the average daily hours of work of the employee for each month worked during the previous calendar year, to a maximum of ten (10) times the employee's average daily hours of work in any one (1) calendar year. On the fourth (4th) and each subsequent incident of absence in a calendar year, sick leave with pay shall be payable at seventy-five percent (75%) of the employee's regular rate of pay.

26 Medical Evaluations

Employees who are required by the City to undergo regular medical examinations as a result of the nature of their employment with the City shall have the cost of such medical evaluations borne by the City.

PART II - HEALTH AND WELFARE BENEFITS

1 Income Protection Plan (Short-Term Disability)

1.01 Waiting Period

A probationary employee who has completed ninety (90) calendar days of continuous civic employment since the last date the employee commenced employment as a probationary employee with the City, or a permanent employee, shall be a member of the Income Protection Plan. However, an employee who is absent from work on the date that they would have been eligible to participate in the Income Protection Plan shall not be eligible to participate in the Plan until they have returned to work for the City for a period of at least ten (10) consecutive days of work.

- 1.01.01 An employee who is absent from work due to personal non-occupational disability for one (1) complete pay period or more, during the ninety (90) calendar day waiting period shall have the waiting period extended by the number of days of work the employee was absent due to such disability.
- 1.01.02 An employee who is on approved leave of absence without pay during the waiting period, for a period of one (1) complete pay period or more, shall have the waiting period extended by the number of days of work the employee was absent due to such leave.
- 1.02 The cost of the Income Protection Plan shall be paid by the City and the Income Protection Plan shall be administered by the City.

1.03 Benefits

Except as otherwise provided in this Agreement, when a member is unable to perform the duties of the position in which they are employed on a regular basis due to personal non-occupational disability, such member shall be entitled to receive benefits from the Income Protection Plan for each period of absence from work in accordance with the following provisions. Benefits shall be based on regular rate of pay immediately prior to the commencement of such disability.

Length of Continuous Service	Income Protection Benefits at 100% of the Regular Rate of Pay	Income Protection Benefits at 90% of the Regular Rate of Pay
90 calendar days but less than 1 year	Nil	85 times average daily hours of work
1 year and over	85 times average daily hours of work	Nil

A member who has received eighty-five (85) times the average daily hours of work of Income Protection benefits at one hundred percent (100%) of the regular rate of pay in any payroll year shall receive all subsequent Income Protection benefits in the payroll year at the rate of ninety percent (90%) of the member's regular rate of pay. Such member shall be eligible for Income Protection benefits to be reinstated to

100% of the regular rate of pay in the subsequent payroll year after returning for ten (10) consecutive days of work.

A member who has received eighty-five (85) times the average daily hours of work of Income Protection benefits at ninety percent (90%) of the regular rate of pay in any payroll year shall receive all subsequent Income Protection benefits in the payroll year at the rate of seventy-five percent (75%) of the member's regular rate of pay upon their return to work. Such member shall be eligible for Income Protection benefits to be reinstated to one hundred percent (100%) or ninety percent (90%) of the regular rate of pay in the subsequent payroll year after returning for ten (10) consecutive days of work.

The term "payroll year" shall mean the pay periods used by the City to determine gross earnings for the purposes of producing yearly statements for income tax purposes.

The working days of Income Protection entitlement for permanent part-time members shall be pro-rated based on the average weekly number of hours worked by the member in the eight (8) weeks preceding the absence divided by five (5).

A member who is in receipt of Long Term Disability benefits and who is engaged in approved alternative employment in accordance with article 2.12 and is unable to perform the duties of the alternate position due to personal non-occupational disability shall be entitled to receive Income Protection benefits for each period of absence from work. Such members shall receive an entitlement equal to ten (10) times the average daily hours of work of benefits in a calendar year and shall be paid for such benefits at one hundred percent (100%) of the regular rate of pay of the alternate position.

- 1.03.01 If a member is absent from work due to personal non-occupational disability on the first scheduled working day for which the member would otherwise be eligible for increased Income Protection benefit entitlement, the member shall not become eligible for such increased entitlement until they return to work for the City for a period of at least ten (10) consecutive days of work. Periods of leave of absence without pay in excess of one (1) complete pay period, shall not be considered as continuous employment for the purpose of determining Income Protection benefit entitlement. For accreditation purposes, a member's anniversary date shall be adjusted by the number of days of leave of absence without pay.
- 1.03.02 If a member is unable to perform the duties of their regular position but is capable of performing modified or alternative duties for the City, the City may require that the member perform such modified or alternative duties until the member is again capable of performing the duties of their regular position.
- 1.03.03 A member's eligibility for Income Protection benefits, including their ability to perform alternative employment shall be determined by the Plan Adjudicator and shall be based on medical evidence. The Plan Adjudicator shall be appointed by the City.
- 1.03.03.01 Where eligibility for Income Protection benefits or ability to perform alternative employment is questioned, the Adjudicator may refer the member, at the Plan's expense, to a medical authority appointed by the City. The

member shall comply with such examination as may be required for confirmation or assessment of the disability, or potential for alternate employment.

- 1.03.04 When a question arises as to whether a member's disability is occupational and the disability is under review by the Workers' Compensation Board, the member shall receive Income Protection benefits in accordance with the member's entitlement until the claim is adjudicated by the Workers' Compensation Board. In the event that the Workers' Compensation Board determines that the disability is occupational, the member shall reimburse the Income Protection Plan for the period of absence for which the claim is considered occupational, and for which the member received benefits under the Income Protection Plan.
- 1.03.05 The monetary value of Income Protection Plan benefits payable under this Plan shall be reduced by any amounts the member may be entitled to from the sources set out as follows, whether or not such amounts are provided for the disability for which benefits are being claimed.
- 1.03.05.01 Benefits from the Canada Pension Plan or any other Plan established in lieu of the Canada Pension Plan, except those Canada Pension Plan or other disability benefits established in lieu of the Canada Pension Plan payable on behalf of the member's dependents.
- 1.03.05.02 Any monthly income payable as a result of the member's disability from any plan not personally contracted for by the member, including those plans for which the member has made contributions as a result of Provincial or Federal legislation.
- 1.03.05.03 Except as otherwise provided in this Agreement, any other disability benefits payable to the member as a result of Provincial or Federal legislation. Notwithstanding the above, the City's Plans will be considered the first payer with respect to Employment Insurance disability benefits only, subject to the requirements of the Employment Insurance Premium Reduction Program.
- 1.03.05.04 Any monies received from the Crimes Compensation Board which are specifically provided for loss of income.
- 1.03.05.05 Any monies received from the Workers' Compensation Board either directly or by way of lump sum payments or disability pensions in respect of a disability for which benefits are claimed under this Plan.
- 1.04 In the event that an adjustment to the regular rate of pay occurs during the period of time that a member is in receipt of Income Protection benefits, such member shall receive the adjusted rate of pay effective from the date of adjustment.
- 1.05 Each period of absence from work due to non-occupational disability which exceeds three (3) hours, shall be counted as one incident of absence for the purposes of this Plan.

On the fourth (4th) and each subsequent incident of absence in a payroll year, Income Protection benefits shall be payable at seventy-five percent (75%) of the member's regular rate of pay. However, if a member had three (3) or less incidents of absence in the previous payroll year, Income Protection benefits shall be payable at

seventy-five percent (75%) of the member's regular rate of pay on the fifth (5th) and each subsequent incident of absence in a payroll year.

In the event that the fourth (4th) incident of absence is for a disability that is of greater than five (5) consecutive days of work, only the first five (5) days of such disability shall be payable at seventy-five percent (75%) of the member's regular rate of pay, and the balance of days for that disability shall be payable at either the one hundred percent (100%) or ninety percent (90%) entitlement whichever was applicable to the member at the commencement of that disability.

Upon the recommendation of a Department Head, the Plan Administrator shall have the discretion to waive the benefit reduction.

Subject to approval by the Plan Administrator, a member who is receiving on-going therapeutic treatment for a life-threatening disability, and as a result is absent from work for periods in excess of three (3) hours to undergo such treatment sessions, may have the entire number of such treatment sessions considered as one (1) incident of absence in any payroll year.

- 1.06 However an employee whose absence exceeds three (3) hours for personal medical or dental appointments not associated with a Workers' Compensation claim may use banked overtime, vacation, or leave without pay for the hours or portion thereof in excess of three (3) hours in order to avoid the absence as counting for one incident.

1.07 Recurring Disabilities

- 1.07.01 For the sole purpose of establishing the numbers of days of Income Protection it is provided that if a member returns to work after a period of disability and becomes disabled again within thirty (30) calendar days of their return to work due to causes related to the earlier disability, then the second period of disability shall be considered as an extension of the earlier period of disability and only the balance of Income Protection benefits remaining from the earlier disability shall be payable.
- 1.07.02 For the sole purpose of establishing the number of days of Income Protection it is provided that if a member returns to work after a period of disability and becomes disabled again within ten (10) calendar days of their return to work due to causes unrelated to the earlier disability, then the second period of disability shall be considered as an extension of the earlier period of disability and only the balance of Income Protection benefits remaining from the earlier disability shall be payable.
- 1.07.03 Notwithstanding the provisions of 1.07, each period of absence due to personal non-occupational disability shall be considered as one incident of disability.

1.08 Other Benefits While Disabled

A member who is in receipt of Income Protection benefits shall continue to be covered under all City benefit plans for which the member is eligible based on the member's regular rate of pay. A member shall continue to pay applicable member contributions and the City will continue to pay its share of the cost of applicable City benefit plans.

1.09 Duration of Benefits

Eligibility for Income Protection benefits will cease upon the earliest of the following dates:

- 1.09.01 the date the member is no longer disabled from performing the duties of their regular position, or any alternative employment made available to the member by the City.
- 1.09.02 the date the member's Income Protection benefits have been expended.
- 1.09.03 the date the member dies.
- 1.09.04 in the case of a member who is laid off from the City, the date such layoff is effective. This clause shall not apply when the period of disability commences prior to the notice of layoff and continues beyond the date such layoff becomes effective.

1.10 Alternative Employment With the City

If, while in receipt of Income Protection benefits, a member remains unable, due to personal non-occupational disability, to perform the duties of their regular position, but is capable of performing alternative duties for the City, for which wages are paid, and the member engages in such alternative City employment then the Income Protection benefits payable shall be reduced to the amount by which the member's regular rate of pay exceeds the regular rate of pay of the alternative employment. Such reduced benefits will continue until the member has been unable to perform the duties of their regular position for a period equal to the duration for which the member is eligible to receive Income Protection benefits.

If, while in receipt of Income Protection benefits, a member remains unable, due to personal non-occupational disability, to perform the duties of their regular position but is capable of performing alternative duties and such alternative employment is offered to the member by the City and the member does not accept such alternative employment, then Income Protection benefits will cease on the date the member would otherwise have commenced the alternative employment.

- 1.10.01 If, while in receipt of Income Protection benefits, a member engages in alternative employment with the City and becomes unable due to personal non-occupational disability to perform the duties of such alternative employment, the member will receive Income Protection benefits based on their original regular rate of pay while such disability lasts, until the member has been unable to perform the duties of their regular position for a period equal to the duration for which the member is eligible to receive Income Protection benefits.

1.11 Alternative Employment With an Employer Other Than the City

If, while in receipt of Income Protection benefits, a member remains unable to perform the duties of their regular position due to personal non-occupational disability but engages in employment for gain, then such member shall be granted Income Protection benefits equal to the amount by which the member's regular rate of pay exceeds the income from such outside employment. Such benefits shall be

payable for a period equal to the duration for which the member is eligible to receive Income Protection benefits.

- 1.12 If, while in receipt of Income Protection benefits, a member engages in employment for gain and the Plan Adjudicator has not provided prior approval to the member for such employment, then the member's eligibility for Income Protection benefits shall cease on the date the member commenced such employment for gain and no further benefits shall be payable to such member from the Income Protection Plan. In addition, the member will be subject to discipline up to and including dismissal.

2 Long Term Disability Plan

2.01 Waiting Period

A permanent or probationary employee who has not attained their normal retirement age and who has completed ninety (90) calendar days of continuous civic employment since the last date they commenced employment as a permanent or probationary employee with the City shall be a member of the Long Term Disability Plan. However, an employee who is absent from work on the date that they would have been eligible to participate in the Long Term Disability Plan shall not be eligible to participate in the Plan until they have returned to work for the City for a period of at least ten (10) consecutive days of work.

- 2.01.01 When an employee is absent from work during the waiting period due to personal non-occupational disability for one (1) complete pay period or more, the employee shall have their waiting period extended by the number of days of work they were absent due to such disability. When the waiting period is so extended, the employee may be required to undergo a medical assessment prior to joining the Long Term Disability Plan in order that any pre-existing conditions might be documented.
- 2.01.02 When an employee is on approved leave of absence without pay during the waiting period for one (1) complete pay period or more, the employee shall have their waiting period extended by the number of days of work they were absent due to such leave.

2.02 Contributions

The cost of the Long Term Disability Plan shall be paid by members of the Plan through payroll deduction effective upon the date of membership in the Plan. For members who are receiving Long Term Disability benefits and who are not engaged in alternative employment, contributions to the Long Term Disability Plan will be waived. Employees, who are members of the Plan, but unable to receive benefits because their disability arises from a pre-existing condition as per the terms of article 2.15.02 shall continue to contribute premiums to the Long Term Disability Plan.

2.03 Eligibility for Benefits

A member will not be eligible to receive Long Term Disability benefits until their Income Protection benefits have expired.

- 2.03.01 The City shall administer the Long Term Disability Plan.

A member's eligibility for Long Term Disability benefits, including their ability to perform alternative employment shall be determined by the Plan Adjudicator. The costs of the Plan Adjudicator shall be borne by the Long Term Disability Plan.

The Plan Adjudicator shall be appointed by the City.

In the event of a dispute based on medical evidence between the member and the Plan Adjudicator concerning such member's eligibility for Long Term Disability benefits, the same shall be settled by referring the dispute to a hearing with a review panel comprised of the Plan Adjudicator, the physician representing the member and an independent physician selected jointly by the City and the Union.

Alternatively, the Union may choose to have the dispute referred to a hearing with a single independent physician selected jointly by the City and the Union.

If the City and the Union cannot agree upon the selection of an independent physician within thirty (30) calendar days, the process outlined in the Duty to Accommodate Framework Agreement (Procedures for obtaining Expert Opinions, Selection of Agencies) shall be used to select the independent physician.

The hearing shall be chaired by a representative of the City of Edmonton and both the Union and the Plan Adjudicator shall have the opportunity to make submissions at the hearing. The decision of the majority of the review panel members or the independent physician shall be final and binding on the member, the City and the Union. The City-appointed chairman shall not be a voting participant in the decision-making process of the review panel.

The cost of the review panel shall be borne by the Long Term Disability Plan. The decision of the review panel must be consistent with the provisions of Part II Article 9.02 – Limitations and Exclusions.

In the event of a dispute based on medical evidence between the member and the Plan Adjudicator concerning such member's ability to perform alternative employment, the same shall be settled by referring the dispute to the "Specialized Grievance and Arbitration Mechanism pursuant to the Duty to Accommodate Framework Agreement" – Letter of Understanding #6.

With the advance mutual agreement of both parties, an alternative process to deal with the dispute may be utilized.

- 2.04 Except as otherwise provided in this Agreement, upon expiration of the member's Income Protection benefits, and during the following twenty-four (24) month period, a member is eligible to receive Long Term Disability benefits if, due to personal non-occupational disability, they are completely unable to perform the duties of their regular position.

"Completely unable to perform the duties of their regular position" when used in reference to the Long Term Disability Plan shall mean that a member is unable to perform those duties of their regular position which regularly occupy sixty percent (60%) of the member's work day.

- 2.05 Except as otherwise provided in this Agreement, Long Term Disability benefits will continue to be paid after the initial twenty-four (24) month period only if the disability prevents the member from engaging in an occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience. If the disability does not prevent the member from engaging in an occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience, and such member is not engaged in rehabilitative employment or training which has been approved by the Plan Adjudicator, then Long Term Disability benefits to such member will cease upon expiration of the initial twenty-four (24) month period.

"Initial twenty-four (24) month period" when used in reference to the Long Term Disability Plan shall mean a twenty-four (24) month period beginning on the date a member commences receiving Long Term Disability benefits and during which time

the member is continuously disabled from the duties of their regular position including any period of time defined in 2.12, 2.13, and 2.14.

In accordance with the terms of article 2.12.02 the period of rehabilitative employment and/or training may be extended beyond twenty-four (24) months and this extension shall be included as part of the definition of "initial twenty-four (24) month period".

"An occupation for compensation or profit for which the member is reasonably suited by reason of training, education and experience" when used in reference to the Long Term Disability Plan shall mean an occupation which provides the member with minimum gross earnings equal to fifty percent (50%) of their regular rate of pay. The regular rate of pay shall be adjusted each January 1 by the percentage change in the Consumer Price Index for the Edmonton region during the twelve (12) month period ending on the previous November 30th.

2.06 Duration of Benefits

Eligibility for Long Term Disability benefits will cease upon the earliest of the following dates:

- 2.06.01 the date the member attains their normal retirement age, age 65;
- 2.06.02 the date the member is no longer disabled as defined by the terms of this Plan;
- 2.06.03 the date the member dies;
- 2.06.04 in the case of a member who is laid off from the City, the date such layoff is effective. This clause shall not apply when the period of disability commences and the employee was eligible to receive Income Protection or Long Term Disability benefits, prior to the notice of layoff and the disability has continued beyond the date such layoff is effective;
- 2.06.05 the date the member is terminated from the employ of the City unless the member is engaged in approved rehabilitative employment with another employer.

*

2.07 Level of Benefits Provided

Unless otherwise provided in this Agreement, the Long-Term Disability benefit shall be an amount equal to a percentage of the annualized regular rate of pay of the position to which the member was permanently appointed or serving the required probationary period or trial term thereof on the date they were first eligible for Long-Term Disability benefits. The annualized regular rate of pay for full-time members shall be calculated by multiplying the hourly regular rate of pay times the scheduled hours of work or, if the member's regular rate of pay is a bi-weekly rate, then multiplying the bi-weekly rate times twenty-six point one (26.1). For part-time members, the regular rate of pay shall be applied to the average weekly hours worked by the member in the preceding nine (9) weeks and multiplying this result by fifty-two point two (52.2). The percentage of annualized regular rate of pay which is paid as the Long-Term Disability benefit shall be in accordance with the following:

Annualized Regular Rate of Pay	Long Term Disability Benefit (Percentage of Annualized Regular Rate of Pay)
Up to \$45,000	60%
\$45,001 to \$50,000	58%
\$50,001 to \$60,000	56%
\$60,001 and higher	54%

The maximum monthly benefit payable shall not exceed five thousand dollars (\$5000). The Long Term Disability benefit payable shall be paid monthly, in arrears, and shall be determined by dividing the annual benefit payable by twelve (12).

The employee must make reasonable efforts to obtain all benefits that might be available in connection with their disability. The City of Edmonton reserves the right to estimate these benefits and to establish its payment accordingly. If necessary, because of integration, the City of Edmonton has the right to re-establish payments from time to time. Further adjustments will be made if required when the employee's other entitlements are known.

The amount determined above shall be reduced by any amounts the member may be entitled to from the sources set out as follows:

- 2.07.01 benefits to which the member is entitled as a result of their disability from the Canada Pension Plan or any other Plan established in lieu thereof, except those Canada Pension Plan disability benefits payable on behalf of the member's dependents. Any cost of living increases to Canada Pension Plan disability benefits or any other Pension Plan established in lieu thereof after commencement of Long Term Disability benefits will not affect the amount of Long Term Disability benefit payable.
- 2.07.02 any monthly income payable as a result of the member's disability from any Plan not personally contracted for by the member including those plans for which the member has made contributions as a result of Provincial or Federal legislation.
- 2.07.03 any other disability benefits payable to the member as a result of Provincial or Federal legislation.
- 2.07.04 any monies received from the Crimes Compensation Board for loss of income but only if related to the disability for which benefits are claimed under this Plan.
- 2.07.05 any monies received from self-employment income unless the employment was part of an approved rehabilitation program wherein the provisions of articles 2.12 and 2.13 would apply.

2.08 Lump Sum Settlements

In the event that a member receives a lump sum payment for loss of income from any source not personally contracted for by the member, including a civil suit arising from the accident or illness giving rise to Long Term Disability benefits, the member shall have one (1) of the following options.

2.08.01 The lump sum payment shall be actuarially equated by a qualified actuary appointed by the Plan Adjudicator to a monthly amount based on pro-rating the lump sum payment over the remaining service life of the member to normal retirement age, and such monthly amounts shall be deducted from the amount of the monthly Long Term Disability benefit payable under this Plan. In calculating the monthly amounts to which the lump sum payment is actuarially equated, the actuary will assume that, on January 1 of each year, such monthly amount will be increased by the lesser of the percentage increase in the Consumer Price Index for the Edmonton region during the twelve (12) month period ending on the previous November 30, or five percent (5%).

Where such monthly amounts exceed the monthly Long Term Disability benefit, the member, in accepting the lump sum payment, shall automatically release the City and the Union from any and all obligations to the member under this Plan.

2.08.02 The member may irrevocably assign the lump sum payment to the Long Term Disability Plan and the Plan shall then be obligated to continue Long Term Disability benefits to the member in accordance with the provisions of this Plan.

2.09 Coverage Under Other Benefit Plans While Disabled

A member who is receiving Long Term Disability benefits will continue to participate in the City's Group Life Insurance Plan, Dental Plan, Supplementary Health Care Plan, Health Care/Flexible Spending Account, and Alberta Health Care Plan, in accordance with the terms and conditions of those plans. Such members will remain eligible for continued coverage under the Health Care/Flexible Spending Account. Member contributions, in accordance with the terms and conditions of the respective plans, will be paid by the Long Term Disability Plan. The City shall continue to make required contributions to the Plan.

2.10 Regular deductions for union dues shall continue to be made from the Long Term disability benefit payable to the member.

2.11 While in receipt of Long Term Disability benefits, a member shall continue to belong to applicable pension plans. Member contributions shall continue to be made to such plans based on the rate of pay prescribed under the applicable Government Pension Plan. Member contributions shall be paid by the Long Term Disability Plan. The City shall continue to make its contributions to the Plan.

2.12 Rehabilitative Employment and Training

During the initial twenty-four (24) month period following commencement of Long Term Disability benefits, members who are in receipt of Long Term Disability benefits may be required to engage in rehabilitative employment and/or training which is approved by the Plan Adjudicator.

Members who refuse to enter into or fully participate in approved rehabilitative employment and/or training shall have their Long Term Disability benefits discontinued effective upon the date they would have commenced such employment and/or training.

Long Term Disability benefits payable in conjunction with an approved program of rehabilitative training and/or employment shall be payable for a maximum period of

twenty-four (24) months, unless an extension of such rehabilitation period is approved by the Plan Adjudicator.

The rehabilitative employment and/or training may include one or more of the following activities:

- 2.12.01 employment in an occupation which is compatible with the nature of the disability and the medical prognosis or
- 2.12.02 participation in a formal secondary, vocational or post-secondary training program or
- 2.12.03 such other arrangements which are judged by the City to be in the best interests of the member, the City and the Plan.

2.13 Rehabilitative Employment and/or Training With the City

If, during the initial twenty-four (24) month period following commencement of Long Term Disability benefits, a member remains unable, due to personal non-occupational disability, to perform the duties of their regular position but engages in rehabilitative employment and/or training with the City, then the Long Term Disability benefits will continue for the balance of the initial twenty-four (24) month period. Any Long Term Disability benefits payable in accordance with this section will continue during the ten (10) working days. If the periods of absence exceed ten (10) working days in any calendar year, the member shall receive Long Term Disability benefits for the period in excess of ten (10) working days based on their regular rate of pay on the date they first became eligible for Long Term Disability benefits.

9 General Application of Plans

The following provisions apply to the Supplementation of Compensation Award provisions, Income Replacement Plan, Income Protection Plan, Group Life Insurance Plan, the Long Term Disability Plan, the Supplementary Health Care Plan, the Dental Plan and Health Care/Flexible Spending Account, as contained in this Agreement.

9.01 Subrogation Rights

9.01.01 All members covered by Plans provided for in this Agreement do hereby on their behalf and on behalf of their dependents assign to the City, in consideration of coverage pursuant to the terms of said Plans, all rights of recovery against any person (including the City itself, or any person for whom whose actions the City is vicariously liable) whose action caused or contributed to an occurrence giving rise to the Plans making payments to any members or their dependents. The City shall thereby subrogate to any rights members or their dependents may have against any such responsible party, for any amounts paid pursuant to the said Plans or for which the Plans have assumed liability. When the net amount recovered is, after deduction of the costs of recovery, not sufficient to provide complete indemnity for the loss suffered, the amount remaining shall be divided between the City and the member in the proportion by which the loss has been borne by them.

9.01.01.01 No member or dependent on whose behalf such occurrence has given rise to payments being made under any Plan shall enter into any action for recovery without first notifying the Plan Administrator. In the event that a member is successful in recovery for such action and the Plan Administrator has not been given notification, then the City shall recover, from the member, any amounts paid pursuant to such Plans or recover, from the member, any amounts paid pursuant to such Plans or amounts for which the Plans have assumed liability including the costs incurred as a measure of obtaining recovery from the member.

9.01.02 The members, on their own and on their dependents' behalf, agree that the said subrogation rights of the City may be exercised by the City bringing action for recovery in the name of the member and/or dependent of the member directly against the responsible party or by the City assigning its rights of subrogation to the member or the member's dependent in care of the solicitor representing such member or member's dependent. Such assignment will be on the basis that the City shall not be obliged to pay, by way of legal fees and costs in connection with collecting monies paid to the member by the Plans, an amount exceeding 15 percent of such claim.

9.01.03 The City shall pay into the appropriate Plan or Plans any monies received as a result of exercising the aforesaid subrogation rights less legal fees and costs incurred and the member's status and/or entitlement within the affected Plan shall be restored to the extent of such monies returned to the Plan.

9.02 Limitations and Exclusions

9.02.01 Plans shall not make any payment on account of services rendered to the member or to a dependent of the member to which such person is entitled at no cost

pursuant to law, or for which there is no cost to the member or their dependent because of other insurance against such cost, which has not been personally contracted for by the member. In all other circumstances, co-ordination shall be done in accordance with Canadian Life and Health Insurance Association Guidelines, as appropriate. Notwithstanding the above, the City's Plans will be considered the first payer with respect to Employment Insurance disability benefits only, subject to the requirements of the Employment Insurance Premium Reduction Program.

- 9.02.02 Any provision of the Plans which require alterations due to Provincial or Federal laws or regulations shall be negotiated between the City and the Union. Employees eligible for coverage under any government plan which is provided shall submit claims for reimbursement to the aforementioned Plans first as applicable, prior to submitting claims under any City Plan.

- ** 9.02.03.09.01 The City will accept medical documentation from a Registered Midwife in Alberta for the purpose of adjudicating eligibility for disability benefits with the following criteria:

 - the illness or injury must be such that it is a maternity related disability claim.
- 9.02.03.10 injury or illness for which the member is not fulfilling any treatment process prescribed by the physician, however, the City reserves the right to challenge a treatment program,
- 9.02.03.11 No Income Protection benefits or Long-Term Disability benefits will be payable during the period a member is on leave of absence without pay, including maternity leave, unless otherwise specified in this collective agreement.

A child of a common-law spouse who is not also the member's child may be claimed as a dependent only if:

- i) the common-law spouse satisfies the definition of dependent and,
- ii) evidence is provided that the child is chiefly dependent on the member for support.

c) Other Dependents

- i) Any person who is wholly dependent on the member for support and for whom the member is entitled to an income tax deduction. Proof that the person is dependent on the member will be required.
- ii) A divorced spouse, who, as part of a divorce settlement, is dependent on the member for support. Evidence of the dependence of the divorced spouse will be required.

For pension purposes, the definition contained in the applicable pension plan will apply.

- 1) Within fourteen (14) calendar days of performing the joint audit, the Union will advise the City if they still challenge the jurisdiction of the employee in the position. The Union will include in this notice their rationale for advancing that the employee in the position should be within the bargaining unit.

- 2) Within fourteen (14) calendar days of receiving the Union's challenge at this stage, the City will respond in writing to the challenge including their rationale for why the position should be excluded from the bargaining unit.
- 3) If the Union does not accept the response of the City, they may make application to the Alberta Labour Relations Board for a determination of appropriate jurisdiction of the employee in the position.

INCLUSIONS

- 1) Those employees who the parties agree should be included in the bargaining unit shall be automatically transferred into the Union's jurisdiction:
 - i) The employee shall be awarded seniority status based upon their length of unbroken full-time service in that position, and
 - ii) shall have their previous unbroken full-time service in positions within the jurisdiction of the Union applied to their seniority status, provided that such unbroken service occurred immediately prior to their being assigned to their current position, and
 - iii) shall, upon entering the Union's jurisdiction, be subject to all the terms and conditions of the collective agreement, and
 - iv) if the transfer to the Union is to a position with a higher regular rate of pay than the employee's present position, the economic increase to the employee's regular wage for that year would be that which is negotiated by the Union. If the employee would be over-ranged once transferred to the Union, then article 7.04.03 applies.
 - v) It is agreed that employees whose salaries are overranged as a result of this Addendum, and who bid on a position for which they are qualified and would, if awarded to them, reduce or eliminate their over-ranged status, shall for the purposes of that bid be deemed to be the most senior employees applying for the position. Should two (2) or more such qualified employees apply, their respective seniorities as defined by this Addendum shall govern between them.
 - vi) The City shall commence the deduction of union dues on behalf of such employees in the pay period immediately following their transfer into the Union's jurisdiction.
 - vii) Employees shall have the positions which they occupy, at the time they and their positions are transferred into the jurisdiction of the Union, classified in accordance with the position evaluation system applicable to the Union.
- 2) In rare instances where it is practical that the employee remain outside the Union's bargaining unit, the Union may agree to exclude the employee. Dues will be forwarded to the Union. The duration of this exemption from the unit will be no more than 24 months. At that time the incumbent will become a member of the Union as a new entry to the bargaining unit with no bridging of seniority, or shall be removed from the position through termination, retirement or transfer.

GENERAL

- 1) The parties may mutually agree to involve a neutral third party at any stage of the Process. Any decision rendered by a neutral third party will be without prejudice and will not be binding on the parties.
- 2) The parties may mutually agree to bypass stages, return to previous stages, and/or extend the time limits contained in this process. Such agreements shall be confirmed in writing.
- 3) If the Union or the City has concerns regarding the application of the process, they will meet in an attempt to resolve these concerns.

The City will be permitted to establish schedules for full-time employees in the following business sections that include greater than five (5) consecutive days of work. It is agreed that these business sections may be amended during the term of the Agreement if mutually agreed to by the parties. LOU #5 Specialized Grievance and Arbitration Mechanisms Pursuant to the Duty to Accommodate Framework Agreement

INTRODUCTION

The parties to this collective agreement are participants in the City of Edmonton – Civic Union Workplace Relationship Agreement, and the Duty to Accommodate Framework Agreement (“the Framework Agreement”) entered into under the auspices of the Working Relationship Agreement.

In the Framework Agreement, the participants agree to establish specialized grievance and arbitration mechanisms to resolve disputes over the duty to accommodate, modifying, or in lieu of, the grievance and arbitration provisions in their collective agreements. The reasons and purposes for such specialized processes include recognition that:

- The duty to accommodate can involve obligations and remedies that transcend bargaining unit boundaries, and thus involve a need for dispute resolution where additional parties can participate so as to avoid multiple proceedings;
- The duty to accommodate is a process not just a result; that it is time sensitive; and that the rights and obligations can change over time; all of which can favour informal, expedited and specialized processes.
- While statutory human rights procedures exist, collective agreement arbitration provides a parallel procedure which, if suitably adapted, offers a more flexible and timely way of resolving accommodation issues for the civic workforce; and
- Although expedited procedures will normally be the chosen option for resolving such disputes, parties may at times choose instead to follow their more formal arbitration procedures, which they should remain free to pursue, subject to modifications for individual and affected union participation and a pre-arbitration mediation process.

Therefore:

The parties to the collective agreement agree to use the following alternative grievance and arbitration procedure for cases falling within the scope of this letter of understanding.

1 Scope

- 1.1 This procedure applies to grievances concerning the duty to accommodate employees on the basis of physical or mental disability.
- 1.2 This procedure does not apply to:
 - 1.2.1 Cases where employees seek accommodation as a result of an addiction said to be a physical or mental disability, or
 - 1.2.2 Cases where employees raise accommodation issues only after being terminated by the City of Edmonton.

2 Initiating a Grievance

- 2.1 Grievances may be initiated during the course of an accommodation process to obtain a decision on a particular decision point in that process even though other steps remain to be taken.
- 2.2 A grievance may concern:
 - 2.2.1 Whether an employee seeking accommodation has a mental or physical disability that gives rise to a need for accommodation;
 - 2.2.2 What, if any, restrictions or requirements arise from the employee's disability;
 - 2.2.3 A decision by the City of Edmonton not to accept a measure that might be undertaken to accommodate the employee's needs in their existing job or some other job (whether modified or not), whether based on undue hardship or any other reason;
 - 2.2.4 A decision by an Employee or the Union to decline to accept as a reasonable or suitable accommodation, a measure proposed by the City of Edmonton;
 - 2.2.5 The failure or refusal by any Union or Association to give any necessary consent to any aspect of a proposed measure that might be undertaken to accommodate an employee's needs, whether that failure or refusal is based on conflicting collective agreement provisions, undue hardship, or otherwise;
 - 2.2.6 The assignment of an employee to a position within a different bargaining unit or any terms and conditions attached to that assignment; or
 - 2.2.7 Whether any trial period for an accommodation measure has succeeded.
- 2.3 In these procedures, "parties" mean the parties to this collective agreement and any other affected Union or Unions. It does not include an individual with a right to be represented or heard separately during any arbitration procedure.
- 2.4 Prior to filing a grievance under Article 2.2 the party will follow the provisions for precipitating a decision on a decision point in the Framework Agreement and shall first advise all affected parties of their wish for a decision on the issue.
- 2.5 On receipt of a request for a decision, the City's Disability Management Consultant, the Union or Unions involved, and such other persons whose presence may be necessary or appropriate to the decision, will meet for a full and frank discussion in an attempt to reach agreement on the question.
- 2.6 If the initial request or, following discussion, the agreed upon issue, is a question of the employee's disability, capacity, or the requirement of any job or proposed job, the parties will initiate the process of obtaining an independent report on the issue in accordance with the procedures in the Framework Agreement. Any professional opinion or factual report obtained as a result of those processes shall be accepted as prima facie proof in any subsequent arbitration proceedings.
- 2.7 The party requesting a decision and the party whose decision is sought may agree in writing to continue to assess the matter in an agreed upon manner.

- 2.8 Following the meeting referred to in Article 2.4, and unless Articles 2.5 and 2.6 apply, the party required to make a decision will provide that decision in writing within fifteen (15) working days of the initial request.
- 2.9 If a decision on a decision point is agreed to, it will be implemented forthwith, according to its terms. If no grievance disputing the decision is initiated within fifteen (15) working days following the decision, it will be treated as agreed upon and any proposed action may be implemented unilaterally. A grievance over any decision described in Article 2.2 may be filed by the parties to this collective agreement or by another Union affected by the decision. The dispute shall be submitted in writing to the roster Coordinator, with a copy of the dispute provided to the Director of Labour Relations, Human Resources Branch.

3 Separate Representation

- 3.1 Where an individual is directly affected by the subject matter of a decision, and their interests may conflict with the position being advanced by their bargaining agent, they may be separately represented in any arbitration process. The form of that separate representation shall be determined by their bargaining agent. Separately represented employees shall not have the authority to advance a matter to arbitration or to insist on formal rather than expedited arbitration.

4 Expedited Arbitration

- 4.1 All grievances will be heard initially by a member of the expedited arbitration roster. Unless the parties agree to a particular member of the roster, the roster coordinator will assign a member to hear the grievance.
- * 4.2 The members of the expedited arbitration roster are:
- Deborah Howes (Roster Coordinator)
 - Roger Gunn
 - Klaus Opatril
 - Such other persons agreed to or appointed under the Duty to Accommodate Framework Agreement from time to time.
- 4.3 The roster member assigned to hear the grievance will convene a meeting of the parties and any individual entitled to separate representation. The purpose of that meeting will be to:
- 4.3.1 Ensure the issues in dispute are defined;
 - 4.3.2 Determine whether the parties agree to expedited arbitration or wish to have all or part of the issue resolved by a formal process;
 - 4.3.3 If the parties accept expedited arbitration, to set a time, date and place for an expedited arbitration hearing with that roster member;
 - 4.3.4 If a party selects formal arbitration, set a time, place and date for a without prejudice pre-arbitration mediation with the roster member or any other agreed upon mediator;
 - 4.3.5 Discuss any other matter that, in the opinion of the roster member, is appropriate;

- 4.3.6 Unless formal arbitration has been selected, grant interim orders where there are substantial reasons for doing so and where the order can be made in a manner that accords with the Framework Agreement;
- 4.3.7 Where the parties agree, do anything at the first meeting that might be done at the expedited arbitration or mediation stages.
- 4.4 The meeting referred to in Article 4.3 will be held within 10 days of the grievance and may be in person or, with the consent of the affected parties, by teleconference. A failure to hold the meeting within ten (10) working days will not constitute loss of jurisdiction.
- 4.5 The roster member will provide participants with minutes of the first meeting, including any agreements reached, along with directions for a mediation meeting or an expedited arbitration hearing.

5 Expedited Arbitration

- 5.1 The Roster member shall hear the grievance informally and expeditiously, providing the parties and any separately represented member the opportunity to adduce evidence and be heard, following which the member will issue a summary award on the grievance. The award will be provided in writing.
- 5.2 The parties will implement the award forthwith, according to its terms.
- 5.3 Awards under the expedited process will be confined to the issue raised in the grievance on the particular decision point. Any further issues that arise in respect to the duty to accommodate that same individual will be dealt with through a continuation or resumption of the Framework Agreement processes and if needed, by a further grievance on any subsequent decision point, rather than through the expedited arbitrator remaining seized with the matter.

6 Grievance Mediation

- 6.1 Where the parties have selected formal arbitration, the arbitration board will be appointed and scheduling commenced as outlined in Article 16 of the collective agreement, (#16.28 to #16.42), following the first meeting referred to in Article 4.3. At the same time, the parties and any separately represented employee will participate in a without prejudice mediation meeting with the Roster member or another agreed upon mediator.
- 6.2 Participants in the mediation will each be represented by a person or persons familiar with the matter who will make good faith efforts to resolve the matter and who have decision making authority.
- 6.3 Settlements reached through informal mediation shall, where they resolve the full issue, be incorporated into a consent award of the Roster member as an arbitrator, or where they resolve some issues only, be incorporated into an agreed statement of facts or position to be placed by consent before the formal arbitrator or arbitration panel.
- 6.4 Other than the documents referred to in Article 6.3, the discussions during informal mediation shall be privileged and shall not be referred to in any subsequent arbitration or other proceeding.

6.5 The cost of the roster Coordinator's administrative duties shall be paid by the City of Edmonton. The cost of the mediation or expedited arbitration duties of the panel members will be shared jointly between the City of Edmonton and the Union or Unions involved in individual cases. Where there is more than one Union involved in a particular case, the Union's half of the costs shall be divided equally between them unless the mediator or expedited arbitrator orders some different appointment.

7 Formal Arbitration

7.1 Where a party insists on formal arbitration, that arbitration will be established and conducted in accordance with the arbitration procedure in this collective agreement, modified as necessary to comport with the Framework Agreement.

7.2 Where, in addition to the Union under this collective agreement, there is another affected Union in respect of the dispute, the following provisions will apply:

7.2.1 The decision of the arbitration board will be final and binding on all parties;

7.2.2 Except to the extent this agreement provides for or the parties agree upon a single arbitrator, the Unions will attempt to agree upon a single nominee, failing which a Union nominee will be selected by the Roster member assigned to conduct the informal mediation.

7.2.3 The costs of any nominee, and of the Chair, will be shared by the Unions equally, unless the arbitrator or arbitration board awards some different apportionment.

7.3 In addition to any other powers provided by law or by the Collective Agreement, the arbitrator or arbitration board may, on the request of any affected party, by interim order, direct what ought to be done, or not be done, pending the arbitration hearing or ruling. Interim orders shall only be granted where there are substantial reasons for doing so, and shall be made in a manner that best accords with the provisions of the Framework Agreement.

* 7.4 Arbitrators shall be selected from the following list of arbitrators, either by agreement, or on the basis of the rotation provided for in the Framework Agreement.

- Andrew C. L. Sims, Q.C.
- Deborah Howes
- Lyle Kanee
- Thomas Jolliffe
- Such other persons agreed to or appointed under the Duty to Accommodate Framework Agreement from time to time.

7.5 Where an arbitrator or arbitration board, appointed under this collective agreement, finds that the matter or any part of the matter arising in that arbitration properly falls within the scope of this letter of understanding, the arbitrator or arbitration board may direct the parties to pursue the matter in accordance with the provisions of this letter of understanding.

7.6 The arbitrator or arbitration board may make any directions as to timeliness or other procedural issue that appears just in all the circumstances. An application under this clause may be made by any party affected by the issue in question whether or not that

party is a party signatory to the collective agreement. No such application may be made by an individual employee.

8 Duration and Termination

- 8.1 This Letter of Understanding shall continue in force beyond the expiry date of the Collective Agreement, and shall be renewed with each successor agreement if both parties mutually agree.
- 8.2 In the event a party to the Duty to Accommodate Framework Agreement withdraws from participation in the Agreement, this Letter of Understanding shall cease to be in force on the date the notice period expires. Grievances currently in progress shall continue to utilize the process outlined in this letter of understanding until the decision of the roster member is received.

LOU #6 Employment Insurance Reduction Program

BACKGROUND

Employment insurance premiums are paid by employers and employees in a ratio of 7/12 and 5/12 respectively. The intention of the Employment Insurance Reduction Program is to reduce premiums for both parties, where paid sick leave is provided to employees who are unable to work because of illness or injury. For administrative purposes, EI legislation reduces only the employers' premiums. Employers are therefore required to return 5/12 of the savings from the premium reduction to employees to whom the reduction rate applies.

AGREEMENT

In each year the City of Edmonton is granted an EI premium reduction, the employees' portion of the savings will be returned as follows:

- Temporary, provisional and non-permanent employees
Savings allocated to a sick benefit for non-permanent employees (Supplementary Income Replacement Plan)
- Permanent employees
Savings are turned back into the Long Term Disability Plan to assist in reducing the premium paid by permanent employees.

LOU #7 Seasonal Recall of Non-Permanent Employees

- * The parties agree to the following seasonal recall provisions for the term of this agreement.

There shall be no requirement to post seasonal vacancies filled by temporary or provisional employees. A seasonal vacancy is a vacant position that is required to be filled for a relatively similar period of time each year that is less than twelve (12) months in duration.

Seasonal vacancies in a specific section will be filled first by those provisional employees in the job classification, if available, who were removed by reason of staff reduction during the previous 12 months from such classification. This will be done in accordance with seniority standing, prior to recalling any temporary employees into such classification.

Both the recall of temporary and provisional employees shall be subject to satisfactory performance evaluations.

Disputes arising from failure to recall, performance evaluations or recall order shall proceed in compliance with the Dispute Resolution Process with the final step being the Formal Review stage. The formal review decision shall be final and binding.

LOU #8 Compressed Hours of Work Program – Identification Technician I (Community Peace Officer)

The following provisions shall apply to those employees in the Identification Technician I classification engaged in the compressed work week based on a combination of eight (8) and twelve (12) hour shifts. LOU #10 Earned Days Off Program - Building Condition Assessment Coordinators (80 hours)

- * The following provisions shall apply to employees in the above noted job classification in the Infrastructure Planning and Design Branch of Integrated Infrastructure Services.

1) Hours of Work

Employees engaged in this compressed hours of work arrangement shall work:

- 8 hours 31 minutes per day in order to receive
- 15 Earned Days Off without pay in a payroll year to be scheduled in pay periods where no statutory holiday occurs

*Calculation: 31 minutes divided by 60 minutes = 0.516 * 9 days * 26 pay periods = 120.74 hours divided by 8.0 hours = 15.0 days*

New employees hired into the eligible classes listed above shall commence participation in the first full pay period after the employee's entry date into the City. Their number of Earned Days Off shall be calculated as follows:

*Calculation: 0.516 hrs (31 minutes per day) * 9 days biweekly * number of complete pay periods remaining in the year of hire divided by 8.0, rounded down to the number of full days earned. Partial days will not be considered.*

2) Pay Provisions

Employees participating in this EDO arrangement shall be paid in accordance with the number of scheduled hours in each pay period. The number of hours scheduled in each pay period will average 80 hours biweekly over the payroll year.

3) Scheduling and Rescheduling EDOs

EDO days shall be scheduled in conjunction with regularly scheduled off days except as otherwise necessitated due to operational requirements such as workload, training requirements, and vacation scheduling. Where a change of EDO is required the City shall have the ability to reschedule such EDO provided 48 hours notice is given to the employee concerned. Where 48 hours notice is not provided or where it is not possible to reschedule the off day, the employee shall receive two times their regular rate of pay for all hours worked on their off day resulting from compressed hours of work.

4) Banking EDOs

Employee's may request to work an "earned day off" (EDO) to bank it for future use. However, the request to work an EDO for the purpose of banking it will be subject to approval by the employee's management supervisor. In any case, no more than three (3) EDOs may be banked at any time. The employee may request to use a banked EDO with management approval at a mutually agreed to time. Such requests will not be unreasonably denied, subject to operational requirements.

5) Statutory Holidays

A day's pay for a statutory holiday, or a day off with pay in lieu of a statutory holiday shall be equal to the monetary or times equivalent of 8.0 hours of work.

LOU #11 Employment Opportunities for Individuals with Intellectual Disabilities Program

The City and the Union believe that it is important to promote a city culture of inclusion, where persons with intellectual disabilities have the opportunity to contribute, participate and feel valued through meaningful employment opportunities with the City of Edmonton.

We will work together with disability focused community serving organizations (partner organization) to provide employment opportunities to such individuals, under the following conditions:

- There will be a maximum of 40 positions that are doing work that would typically fall within CSU 52's jurisdiction that will be casual, out-of-scope and part-time, across all City Departments.
- If any position is scheduled to exceed 20 hours per week on a continuous basis for a minimum duration of three months the City will obtain approval from the Union before implementing the work schedule.
- The positions will not be posted, but will be filled by appointment on recommendation of the serving organization.
- Duties of the position will be meaningful and aligned to the unique skills and abilities of each individual and may include some tasks which would normally be considered to be bargaining unit work.
- In consultation with the disability serving organization, the City of Edmonton will set the wage rates using the union's 2018 - 2020 Collective Agreement as a reference and guideline.
- There will be no loss of bargaining unit positions. There will be no changes to the job duties of existing CSU members, as a result of this program.
- The Recruitment Section of HR will advise CSU 52 of placements made under this letter of understanding on a quarterly basis. A report of all hours worked by individuals working under this program will be provided to the Union once per year.
- Issues related to individual performance management, safety, or inappropriate/unacceptable behaviour shall be the responsibility of Management to address.

The City and the partner organization will provide orientation and awareness training to the work areas participating in the program, as well as case management support during the first 12 months of the employee's employment in the position.

** The City and the Union will continue to discuss this Letter of Understanding for potential revisions during the life of this Collective Agreement.

* **LOU #12 Project Positions - Open City and Technology**

The parties agree that Letter of Understanding 12 shall remain in effect for the full duration of the 2018-2020 collective agreement.

In recognition of the unique requirements of the Open City and Technology Branch to fill positions for a predetermined time period beyond 1 year, the parties agree to the following.

DEFINITIONS

Project Position: A temporary endeavour or a singular undertaking, with a defined beginning and end date, and a specific set of interrelated duties undertaken to meet unique goals, objectives and deliverables. (An example of a "project" in OCT would be the research, development and implementation of new software).

External Candidates: An individual who is not a current employee with the City; or is a non-permanent City employee outside of the CSU 52 bargaining unit; or a non-permanent employee working in a position within the CSU 52 jurisdiction.

Permanent Employees: Employees who have permanent status, and who may already be working in the Open City and Technology Branch.

AGREEMENT

- Such positions can be filled for up to 36 months. Postings will indicate that this is a position with benefits that has an end date in accordance with LOU #12.
- Employees hired into such positions would be entitled to benefits and increments as per regular employees (All benefits, including disability benefits would not be payable beyond the end date of the project position.)
- External candidates hired into project positions will not have entitlement to layoff provisions (Article 11) and will be terminated at the end of the project.
- The City does not have the right to laterally transfer employees working in the project position into any permanent position. Should a vacancy for a permanent position occur, the position will be posted.
- Should an external candidate be successful on a permanent position their time working in the project position will be recognized for seniority purposes, as long as there is no break in service between the project position and their commencement in the permanent position, in accordance with Article 3.24.
- Permanent employees who are selected for project positions will have their position (or equivalent) held for them for the duration of the project. This will apply regardless of whether the project position is a promotion, lateral or demotion for the employee.
- Since we agree to hold a position for the permanent employee working in a project position, a domino back-filling situation may arise. Therefore, vacancies created by a permanent employee accepting a project position will be treated the same as the original vacancy and will be subject to the provisions detailed in this letter of understanding. Where a domino back fill situation occurs, the Union will be advised of the complete impact of the recruitment into all positions.

NEW LETTERS OF UNDERSTANDING

Signed after Ratification

LETTER OF UNDERSTANDING

Between

The City of Edmonton

(the “City”)

And

**Canadian Union of Public Employees Local 30; Civic Service Union 52;
International Brotherhood of Electrical Workers 1007; Edmonton Fire Fighters Union;
Amalgamated Transit Union Local 569 and Amalgamated Transit Union Local 569, DATS Unit
(collectively, the “Unions”)**

COVID-19: Temporary Layoff Provisions

The 2020 COVID-19 pandemic (the “Pandemic”) is an emergent, unanticipated and unprecedented circumstance where the City and its Unions have jointly agreed to work together to enable the City to provide necessary services to the citizens of Edmonton with the best interests of our employees/members in mind.

The intent of this Letter of Understanding is to have all City employees impacted by the Pandemic treated fairly while helping the City efficiently transition to meet the changing demands and needs of our citizens. To help achieve this goal, the City and Unions agree that this Letter of Understanding will outline the process for **all temporary layoffs and deployments** in response to the COVID-19 Pandemic.

Guiding Principles

- Should the City decide to permanently reduce the workforce during the period of time that this Letter of Understanding is in effect, the regular layoff provisions of the applicable collective agreement will apply.
- Recognizing that the City’s current environment may lead to restructuring and reorganization that may impact employees on temporary layoff, the City will work with the affected unions to ensure that the collective agreement rights of temporarily laid off employees are respected.
- Employees temporarily laid off under this Letter of Understanding will, upon being called back to work, return to the position they were laid off from unless otherwise mutually agreed between the City and applicable Union, or unless permanent reductions occur as outlined in the bullets above.

Temporary Layoff

In cases where the City determines that facility closures and / or any other significant service reductions are required, the City shall provide the notice as soon as is practicable in the circumstances and layoffs to impacted employees. The temporary layoffs will occur in the following sequential order:

1. Any redeployed employees from other jurisdictions in the organizational unit affected will be reduced;
2. Unfilled redeployment opportunities will be filled by employees of the affected organizational unit so as to reduce the number of layoffs;
3. Temporary employees (in ongoing positions) in the affected organizational unit will be laid off - temporary employees in positions with an end date will be terminated early;
4. Provisional employees in the affected organizational unit will be laid off. CUPE Provisional employees will be laid off in reverse order of seniority after taking into primary consideration any specific knowledge, qualifications and/or skills that are difficult or impractical to acquire.
5. Permanent employees in the affected organizational unit will be laid off in reverse order of seniority after taking into primary consideration any specific knowledge, qualifications and/or skills that are difficult or impractical to acquire.

Management/Out of scope employees will not be redeployed to backfill a unionized position where the incumbent was laid off.

Temporary Redeployment

Each of the collective agreements have a 90 day appointment clause. The City and the Unions mutually agree to utilize this clause and extend to the conclusion of this letter of understanding, Employees who are appointed will remain in their current classification and rate of pay during this period.

Benefits

- Employees who are subject to a temporary layoff will continue to participate in some of the City's benefit plans (specifically, major medical, health care spending account, life insurance and dental) to which they were a member of immediately prior to the commencement of the layoff, **except for** Short Term Disability (STD), Long Term Disability (LTD) and the Local Authorities Pension Plan (LAPP). The employee's share of the associated benefit premiums will be deducted from pay using the City's SUB or top-up plan payment described below under "General Provisions". Once the SUB (for temporary layoffs on or before July 31, 2020) or top-up (for temporary layoffs after July 31, 2020) plan payments end, the City will pay both the employee and employer share of the associated benefit premiums until the temporary layoff ends, or this Letter of Understanding ceases (whichever occurs first).
- LAPP Pension: Following return to work from temporary layoff, employees may later apply to voluntarily purchase the whole or portion of the layoff period as a Prior Service Purchase on an actuarial reserve cost basis (employee pays 100% of the cost). It is the current understanding of the City and the Unions that this option will be available in 2021 directly after return to work has occurred and after the current pension plan year closes and associated year end reporting has been completed.
- Laid off employees will continue to have access to the City's Employee & Family Assistance program during the period of temporary layoff.

- Temporarily Laid off Employees who are pregnant and whose delivery date occurs during the period of temporary layoff:

Permanent employees who are:

- subject to temporary layoff and
- are expecting the birth of a child during the period of temporary layoff

may be eligible for Supplementary Unemployment Benefit (SUB) Maternity payments, for the physician-indicated health related period of disability following the birth of a child. Eligibility for the SUB Maternity payments shall commence on the delivery date of the child, provided that the employee:

- was enrolled in the Short Term and Long Term Disability Plans prior to temporary layoff and
- is eligible for Employment Insurance Maternity leave payments from Service Canada.

The employee will submit an application to the City confirming the birth of the child. The City will retroactively return the employee to active status on the delivery date (approving 1 day of Short Term Disability benefits at their regular wage rate). If the employee meets the eligibility criteria outlined above, the City shall commence the SUB Maternity top-up payments effective from the first Sunday after the date of delivery.

Job Security

Effective the date this Letter of Understanding is signed, where new work needs are identified, the City will first attempt to utilize and/or redeploy existing City employees before contracting out, having regard to the following considerations:

- the work is not within the scope of the City's job descriptions; or
- the City is unable to absorb the additional work with its current staff compliment, including those laid off; or
- City employees do not possess the necessary skill or experience for the role; or
- the City does not have the necessary tools or equipment to perform the work required
- under exigent and necessary circumstances, the City may contract out, work that could be achieved through redeployment of City employees. If this occurs, City employees in the Redeployment Resource Pool will remain employed, or will be re-employed and transition into this work as soon as practicable.

General Provisions

- During the period of temporary lay off due to this Pandemic, all eligible employees shall continue to accrue seniority and seniority will be reflected as continuous once returned to work.
- Once returned to work, employees who were temporarily laid off due to this Pandemic, shall have their service considered continuous for the purpose of vacation.

- All City employees (permanent, provisional and temporary) who are eligible to receive Employment Insurance (EI) or the Canada Emergency Response Benefit (CERB) due to COVID facility closure or service reduction are eligible to apply for a [Supplementary Unemployment Benefit \(SUB\) Plan](#) for Layoffs. Combined with employees' EI or CERB, the SUB payment will

provide employees with approximately 75% of their average weekly earnings (insurable), before deductions.

- Permanent employees would be eligible for SUB plan payments for up to 16 weeks while in receipt of EI or CERB.
- Provisional and temporary employees would be eligible for SUB plan payments for up to 8 weeks while in receipt of EI or CERB.

The City will calculate the employee's average weekly earnings and "top-up" their CERB in an attempt to bring their layoff income to 75% of their normal income (before deductions). The Parties acknowledge that for some employees this will be possible but, for others, the \$1,000 allowance will not be enough to reach 75% of their salary.
 - Permanent employees would be eligible for the "top up" payments for up to 16 weeks while in receipt of CERB.
 - Provisional and temporary employees would be eligible for the "top up" payments for up to 8 weeks while in receipt of CERB.

- All City employees (permanent, provisional and temporary) who are eligible to receive Employment Insurance (EI) due to COVID facility closure or service reduction are eligible to apply for a [Supplementary Unemployment Benefit \(SUB\) Plan](#) for Temporary Layoffs. Combined with employees' EI, the SUB payment will provide employees with up to one thousand dollars (\$1,000) per month in an attempt to bring their layoff income to approximately 75% of their normal income (before deductions). The Parties acknowledge that for some employees this will be possible but, for others, the \$1,000 allowance will not be enough to reach 75% of their salary.
 - Permanent employees would be eligible for SUB plan payments for up to 16 weeks while in receipt of EI.
 - Provisional and temporary employees would be eligible for SUB plan payments for up to 8 weeks while in receipt of EI.
- Employees who were temporarily laid off during the pandemic on a previous occasion, and have exhausted all of their 8 or 16 week top-up entitlement, are not entitled to any additional top-up, during the life of this agreement. The top-up is a one-time entitlement provided over the applicable number of weeks identified above.
- No displacements / bumping will occur.
- Due to the emergent nature of the Pandemic, layoff and recall notice periods as contemplated by the collective agreements between each of the respective Unions and the City shall not apply.
- Union dues shall be discontinued, effective the date of layoff.

- Vacation credits will not continue to accrue over this period of temporary layoff. Any unused vacation and banked overtime credits will be frozen in place until such time as the employee returns to work, unless permanently laid off or terminated.
- Banking of overtime hours worked while in redeployment assignments will not be permitted.
- The City shall return employees, who are returning to work from temporary layoff, to their regular position of employment prior to the Pandemic.
- The City and Unions will meet weekly to share regular updates with each other.

This Letter of Understanding shall expire **at 4:30 pm on January 31, 2021**, unless otherwise mutually agreed. This Letter of Understanding will cease to apply to employees in any of the following circumstances:

- The employee resumes their regular position of employment prior to the Pandemic, or
- The employee is terminated for just cause; or
- The employee is permanently laid off.

Workforce Transition Program (Voluntary Retirement or Voluntary Resignation)

The Workforce Transition Program (the “**Program**”) will be communicated to eligible employees by or before **October 23 2020**, with an application deadline for participation in the Program to be determined and established at the sole discretion of the City. The Program, while part of a larger budget reduction strategy that is currently underway to address the financial impacts of COVID-19 on the City, is also intended to provide assistance to eligible employees who elect to voluntarily retire/resign from their employment with the City. The implementation of this Program may achieve the additional goal of reducing or eliminating potential permanent layoffs of other employees. Applications will be reviewed and approved at the sole discretion of the City.

Definitions:

1. **Retirement Eligible** means:
 - employees who are at least 55 years of age; and
 - have a minimum of 7 years of pensionable service; and
 - Employees who are eligible to receive a Local Authorities Pension.
2. **Major Medical and Dental Benefits** means the employment benefits provided in benefit plans with respect to which retiring employees can elect to continue to participate in following their retirement, with exception of the Health Care/Flexible Spending Account and Out-of-Country Travel benefits.

Employee Eligibility Criteria:

- Must have permanent employee status (full-time or part-time); and
- Must have at least 7 continuous years of ongoing employment with the City at the time their application is submitted; and
- Must be employed in an area affected by workforce reduction in 2020.

All employees who meet the eligibility criteria can voluntarily apply for Option 2. Employees who meet the definition of “Retirement Eligible” can voluntarily apply for either Option 1 or Option 2.

Option 1: Voluntary Retirement (General Overview)

- Option 1 is only available for application by employees who are Retirement Eligible at the time their application is submitted, and agree to initiate their LAPP pension at the date of their retirement.

- Approved applicants shall receive a gross payment, less required statutory deductions, equivalent to 3 months' base salary, which will be calculated based on the employee's hourly rate in their regular 'home' position, at the time their application is submitted (the **"Retirement Payment"**).
- The Retirement Payment shall be subject to required statutory deductions, including income tax.
- Prior to receiving the Retirement Payment, the employee will be required to provide the City with a signed Severance Agreement and Release (see **Appendix "C"**).
- Some or all of the Retirement Payment may be transferred to the employee's RRSP account, subject to advance provision to the City by the employee of a Statutory Declaration confirming sufficient RRSP contribution room, and any applicable Canada Revenue Agency regulations.
- The City will remit both the employee and employer portion of the employee's Major Medical and Dental Benefits for up to 5 years following the employee's effective date of retirement or until the employee reaches 65 years of age, whichever occurs first.
- The employee shall remain subject to all applicable Major Medical and Dental Benefits rules for pensioner participation, including:
 - If the employee is not yet 65 years of age after 5 years of City paid benefits, the employee must continue their participation in the benefits program and pay 100% (employee and employer shares) of the required premiums until the employee reaches 65 years of age (age 70 for IBEW-affiliated employees).
 - If an employee's application for Option 1 is approved, they must enroll into the pensioner benefit plans immediately following their effective date of retirement. They cannot elect to join at a later date.
 - If the employee chooses to move permanently outside Alberta, they can retain their benefit coverage for 90 days and on the 91st day, benefit coverage is cancelled. The City would not continue to pay any benefits premiums past the 91st day. If this occurs, the City will not be obligated to pay out the cost of benefit premiums that would no longer be accessible to the individual.
- The employee is required to commence receiving their pension upon retirement in order to receive the Major Medical and Dental Benefits.
- The employee remains subject to the terms and conditions regarding retiree benefits coverage identified in the Severance Agreement and Release (see **Appendix "C"**) and/or applicable benefits plan documents.

Option 2: Voluntary Resignation (General Overview)

- Approved applicants shall receive a gross payment equivalent to 6 months' base salary, less required statutory deductions, which will be calculated based on the employee's hourly rate, in their regular 'home' position, at the time their application is submitted (the **"Severance Payment"**).
- Prior to receiving the Retirement Payment, the employee will be required to provide the City with a signed Severance Agreement and Release (see **Appendix "C"**).

Additional Terms

1. Application for the Program is entirely voluntary.
2. The complete terms and conditions of the Program will be communicated to all employees by the City before October 23 2020, along with a Questions and Answers information document (see **Appendix "A"** and **Appendix "B"**).
3. Employees who participate in the Program are not eligible for re-employment with the City for a period of 1 year following the employee's final date of retirement or resignation under the Program.
4. Any successful applicant for the Program must email the appropriate City contact named in **Appendix "A"** to confirm their participation in the Program and to identify their selected Program option (Option 1 or Option 2) by the applicable deadline as determined and communicated by the City.
5. This is a voluntary program, and as such, all applications for participation in the Program are subject to approval by the City. Seniority shall be considered when making this decision.
6. As a condition of participation in the Program, all successful applicant employees shall be required to sign a Severance Agreement and Release (see **Appendix "C"**).

Appendix B: Question and Answer Document

Appendix C: Severance Agreement and Release Templates

The Enterprise Systems Transformation Program (ESTP)

Project Description:

The Enterprise Systems Transformation Program (ESTP) is a corporate-wide Project to bring together departmental operations and transactions into standardized corporate practices, procedures and automation. A significant component of this Project is the review of existing software applications, business practices and operations, and the change management functions that need to occur for successful implementation.

The Enterprise Systems Transformation Program will undertake three broad areas of work, as detailed below:

- **Transforming the City’s Core Enterprise Resource Planning (ERP) Functions:**
The Enterprise Systems Transformation Program will select and implement an enterprise solution that spans the City’s core functions such as Finance, Human Resources, and Supply Chain Management, while standardizing processes based on technology and industry standards.
- **Transforming the City’s Enterprise Asset Management Functions:**
As core functions move towards a single enterprise solution, there will be an opportunity to review and rationalize the City’s Asset Management technology landscape utilizing the selected solution. The ESTP will undertake a detailed assessment to identify these rationalization opportunities.
- **Transforming the City’s Workflow Management:**
There is a need to rationalize the processes and technologies in business functions that utilize POSSE as an enterprise delivery and workflow management system to streamline processes and lower the costs of managing the platform. The Enterprise Systems Transformation Program will provide a detailed assessment and identify rationalization opportunities for the City’s POSSE platform.

Key skills are required from the launch of the Project to the final acceptance, testing and implementation. In recognition of the unique requirements to fill temporary positions for a pre-determined time period beyond one year, the parties agree to the following:

DEFINITIONS:

Project Position: The ESTP is a Project which is a temporary endeavour/singular undertaking, with a defined beginning and end date, and a specific set of interrelated duties undertaken to meet unique goals, objectives and deliverables. The ESTP Project is anticipated to be completed by **January 31, 2024**.

External Candidate: An individual who is not a current employee with the City; or is a temporary City employee working in a position within CSU 52 jurisdiction or outside of CSU 52 jurisdiction.

Permanent Employee: An Employee within the CSU 52 jurisdiction who has permanent status.

AGREEMENT:

- This LoU has a fixed end date of **January 31, 2024**.
- Except as specified in this LoU, all Articles and Clauses in the Collective Agreement will continue to apply.
- Postings for the ESTP Project will indicate the term, including the end date of the positions, and that benefits apply, in accordance with this LoU. Permanent Employees within the CSU 52 jurisdiction who apply for postings or are seconded under the ESTP Project shall be allowed to revert within the first three months (if placed through promotion only) or at the end of the project to their previous permanent position or a comparable one at the rate of pay on the step of the pay range applicable to their home position had they remained in their home position. This will apply regardless of whether the Project Position is a promotion, lateral or demotion for the employee.
- External candidates hired into Project Positions will not have entitlement to layoff provisions (Article 11) and will be terminated at the end of the Project. Employees hired into such positions are entitled to benefits and increments as per permanent employees. (All benefits, excluding disability benefits would not be payable beyond the end date of the Project Position.)
- The City will not laterally transfer any employees who were hired into the Project positions from outside the organization or are temporary employees who were transferred or promoted into any permanent position within or outside the Project.
- Employees working in a Project Position may apply to posted positions outside of the Project if they choose to do so.
- Should an external candidate be successful on a permanent position prior to the end of their term position, their time working in the Project Position will be recognized for seniority purposes, as long as there is no break in service between the Project Position and their commencement in the permanent position, in accordance with Article 3.24.
- Since it is agreed the position for a permanent employee working in a Project Position will be held for them, a domino back-filling situation may arise.
- Therefore, vacancies created by a permanent employee accepting a Project Position will be treated the same as the original vacancy and will be subject to the provisions detailed in this Letter of Understanding.
- Where a domino back-fill situation occurs, the Union will be advised of the complete impact of the recruitment into all positions.
- Separation of employment for any reason or appointments to other positions outside of the Project may necessitate posting of positions for less than the full duration of the Project. Under no circumstances will such subsequently posted Project positions extend beyond the end date of this agreement unless mutually agreed.
- On a quarterly basis, the Union will receive a listing of all positions attached to this project specifying employee name and number, current classification, classification of home position and start date. The City will also provide a list of contract positions, including the company name on a quarterly basis.

COVID-19: Temporary Layoff Provisions

The 2020 COVID-19 pandemic (the “Pandemic”) is an emergent, unanticipated and unprecedented circumstance where the City and its Unions have jointly agreed to work together to enable the City to provide necessary services to the citizens of Edmonton with the best interests of our employees/members in mind.

The intent of this Letter of Understanding is to have all City employees impacted by the Pandemic treated fairly while helping the City efficiently transition to meet the changing demands and needs of our citizens. To help achieve this goal, the City and Unions agree that this Letter of Understanding will outline the process for **all temporary layoffs and deployments** in response to the COVID-19 Pandemic.

Guiding Principles

- Should the City decide to permanently reduce the workforce during the period of time that this Letter of Understanding is in effect, the regular layoff provisions of the applicable collective agreement will apply.
- Recognizing that the City’s current environment may lead to restructuring and reorganization that may impact employees on temporary layoff, the City will work with the affected unions to ensure that the collective agreement rights of temporarily laid off employees are respected.
- Temporarily laid off Employees who work in the Community and Recreation Facilities Branch will return to work as detailed in the attached “ADDENDUM to the Temporary Layoff Letter of Understanding Re: Return to Work of Temporarily Laid off Staff who work in the Community and Recreation Facilities Branch (COVID-19)”
- Any other Employees temporarily laid off under this Letter of Understanding will, upon being called back to work, return to the position they were laid off from unless otherwise mutually

agreed between the City and applicable Union, or unless permanent reductions occur as outlined in the bullets above.

- For any City job that would otherwise be posted internally or externally as an employment opportunity, temporarily laid off employees under this Letter of Understanding will have the same recall rights as regular laid off employees within the applicable collective agreement.
- Specific only to Temporary Layoff situations within CUPE Local 30, Provisional CUPE Employees who are working or on a Recall List shall have first right to their normal seasonal work over all other Provisional or Casual CUPE 30 members.

Temporary Layoff

In cases where the City determines that facility closures and / or any other significant service reductions are required, the City shall provide the notice as soon as is practicable in the circumstances and layoffs to impacted employees. The temporary layoffs will occur in the following sequential order:

1. Any redeployed employees from other jurisdictions in the organizational unit affected will be reduced;
2. Unfilled redeployment opportunities will be filled by employees of the affected organizational unit so as to reduce the number of layoffs;
3. Temporary employees (in ongoing positions) in the affected organizational unit will be laid off - temporary employees in positions with an end date will be terminated early;
4. Provisional employees in the affected organizational unit will be laid off. CUPE Provisional employees will be laid off in reverse order of seniority after taking into primary consideration any specific knowledge, qualifications and/or skills that are difficult or impractical to acquire.
5. Permanent employees in the affected organizational unit will be laid off in reverse order of seniority. In cases where the City is seeking exceptions to seniority, each case will be discussed with the Union prior to the lay-off. In cases where the parties do not agree, this initial conversation will be treated as Problem Solving as per the Dispute Resolution Process of each Collective Agreement.

Management/Out of scope employees will not perform work to the extent that it would have prevented the layoff of a unionized employee.

Benefits

- Employees who are subject to a temporary layoff will continue to participate in some of the City's benefit plans (specifically, major medical, health care spending account, life insurance and dental) to which they were a member of immediately prior to the commencement of the layoff, **except for** Short Term Disability (STD), Long Term Disability (LTD) and the Local Authorities Pension Plan (LAPP). The employee's share of the associated benefit premiums will be deducted from pay using the City's SUB or top-up plan payment described below under "General Provisions". Once the SUB (for temporary layoffs on or before July 31, 2020) or top-up (for temporary layoffs after July 31, 2020) plan payments end, the City will pay both the employee and employer share of the associated benefit premiums until the temporary layoff ends, or this Letter of Understanding ceases (whichever occurs first).

- LAPP Pension: Following return to work from temporary layoff, employees may later apply to voluntarily purchase the whole or portion of the layoff period as a Prior Service Purchase on an actuarial reserve cost basis (employee pays 100% of the cost). It is the current understanding of the City and the Unions that this option will be available in 2021 directly after return to work has occurred and after the current pension plan year closes and associated year end reporting has been completed.
- Laid off employees will continue to have access to the City's Employee & Family Assistance program during the period of temporary layoff.
- Temporarily Laid off Employees who are pregnant and whose delivery date occurs during the period of temporary layoff:
 - Permanent employees who are:
 - subject to temporary layoff and
 - are expecting the birth of a child during the period of temporary layoff
 may be eligible for Supplementary Unemployment Benefit (SUB) Maternity payments, for the physician-indicated health related period of disability following the birth of a child. Eligibility for the SUB Maternity payments shall commence on the delivery date of the child, provided that the employee:
 - was enrolled in the Short Term and Long Term Disability Plans prior to temporary layoff and
 - is eligible for Employment Insurance Maternity leave payments from Service Canada.
 The employee will submit an application to the City confirming the birth of the child. The City will retroactively return the employee to active status on the delivery date (approving 1 day of Short Term Disability benefits at their regular wage rate). If the employee meets the eligibility criteria outlined above, the City shall commence the SUB Maternity top-up payments effective from the first Sunday after the date of delivery.

Job Security

Effective the date this Letter of Understanding is signed, where new work needs are identified, the City will first attempt to utilize existing City employees before contracting out, having regard to the following considerations:

- the work is not within the scope of the City's job descriptions; or
- the City is unable to absorb the additional work with its current staff compliment, including those laid off; or
- City employees do not possess the necessary skill or experience for the role; or
- the City does not have the necessary tools or equipment to perform the work required
- under exigent and necessary circumstances, the City may contract out, work that could be achieved through redeployment of City employees. If this occurs, City employees in the Redeployment Resource Pool will remain employed, or will be re-employed and transition into this work as soon as practicable.

SUPPLEMENTARY UNEMPLOYMENT BENEFIT (SUB) PLAN:

- All City employees (permanent, provisional and temporary) who are eligible to receive Employment Insurance (EI) due to COVID facility closure or service reduction are eligible to apply

for a [Supplementary Unemployment Benefit \(SUB\) Plan](#) for Temporary Layoffs. Combined with employees' EI, the SUB payment will provide employees with up to one thousand dollars (\$1,000) per month in an attempt to bring their layoff income to approximately 75% of their normal income (before deductions). The Parties acknowledge that for some employees this will be possible but, for others, the \$1,000 allowance will not be enough to reach 75% of their salary.

- Permanent employees would be eligible for SUB plan payments for up to 16 weeks while in receipt of EI.
 - Provisional and temporary employees would be eligible for SUB plan payments for up to 8 weeks while in receipt of EI.
- Employees who were temporarily laid off during the pandemic on a previous occasion, and have exhausted all of their 8 or 16 week top-up entitlement, are not entitled to any additional top-up, during the life of this agreement. If laid off employees returned to work or were redeployed before all of their 8 or 16 week top-up entitlement was exhausted, the remaining top-up will be paid during the future temporary layoff period, as applicable. The top-up is a one-time entitlement provided over the applicable number of weeks identified above.

OTHER PROVISIONS:

- During the period of temporary lay off, all eligible employees shall continue to accrue seniority and seniority will be reflected as continuous once returned to work.
- Once returned to work, employees who were temporarily laid off due to this LOU, shall have their service considered continuous for the purpose of vacation.
- No displacements / bumping will occur in the temporary layoff process.
- Layoff and recall notice periods as contemplated by the collective agreements between each of the respective Unions and the City shall not apply in the temporary layoff process.
- Union dues shall be discontinued, effective the date of layoff.
- Vacation credits will not continue to accrue over this period of temporary layoff. Any unused vacation and banked overtime credits will be frozen in place until such time as the employee returns to work, unless permanently laid off or terminated.
- The City shall return employees, who are returning to work from temporary layoff, to their regular position of employment prior to the Pandemic, wherever possible. For employees in Community Facilities and Recreation Branch, see Addendum A.
- The City and Unions will meet weekly to share regular updates with each other.
- All provisions of collective agreements will apply upon conclusion of this letter of understanding.

This Letter of Understanding shall expire **at 4:30 pm on April 30, 2021**, unless otherwise mutually agreed. This Letter of Understanding will cease to apply to employees in any of the following circumstances:

- The employee resumes their regular position of employment prior to the Pandemic, or
- The employee is terminated for just cause; or
- The employee is permanently laid off.

**ADDENDUM “A” to the Temporary Layoff Letter of Understanding Re:
Return to Work of Temporarily Laid off Staff who work in the Community and
Recreation Facilities Branch (COVID-19)**

The City and the Unions agree that in consideration of the unique nature of the work in the Community and Recreation Facilities branch, temporarily laid off employees returning to work as business resumes will return in order of seniority within their job classification, with some exceptions. The following terms have been agreed to for the return of employees temporarily laid off from the Community and Recreation Facilities branch.

1. This agreement is specific to Employees who work in the Community and Recreation Facilities branch.
2. Returns will be in order of seniority across the Community and Recreation Facilities branch within the same job classification. Some employees may be returned to different facilities than they were temporarily laid off from.
3. The exception to 2. above is where a position requires specific knowledge, qualifications and/or skills that are critical to running the facility or program and are difficult or impractical to acquire in time for return to business. The operational area leader, Labour Relations and the impacted union will review the request in advance of the return to work decision being made.
4. If operations require Employees to return to work, the Employees shall return in the sequence outlined in this letter of understanding. If an Employee requests an exception at the time of recall, the City will consult with the Union and discuss potential solutions before making its decision. If a solution is not achieved and if the employee refuses the recall opportunity, the employee will be deemed to have abandoned their employment with the City.
5. While there is no entitlement to return back to their pre-temporary layoff facility or job, if the Employee accepts a return to a different facility when called, there will be consideration given to later return back to their pre-temporary layoff facility or job when that facility reopens. Employees may express interest in working at their former facility through regular processes.
6. Employees offered to return to a different facility than their pre-temporary layoff facility, will be allowed up to one calendar week to confirm whether they accept.

RE: Temporary Work from Home Agreement

As the Government of Alberta lifts public health orders, in place due to the COVID-19 pandemic, the City will require employees return from their current home setting to City workspaces, in the coming weeks and months. We can expect a gradual return to work as COVID-19 is brought under control.

Unless otherwise agreed, the primary place of an Employee's place of work will be a City workspace in accordance with the City's Workplace Reintegration Plan.

The parties agree to the following interim measures:

- An Employee may request approval from the City to continue working remotely from home.
- An Employee may be directed to return to a City workspace and/or to work remotely from home during the term of this agreement.
- Subject to operational requirements, any Employee directed to return to a City workspace will be provided with a minimum of 30 calendar days' notice.
- In cases where an Employee is directed to return to a City workspace, but requests an exemption from that requirement, arising from a potential legal duty to accommodate, the City will consult with the Union and discuss potential alternatives before a decision is made. The parties agree that consultation will conclude within the 30 calendar day notice period. No employee will be required to return to work prior to the parties concluding consultation.
- Following consultation with the Union, if the City maintains its direction that the Employee return to a City workspace, and the Employee refuses to return to work, the Employee will be released from employment.

- Employees approved by the City to remain working remotely from home for any period of time, shall continue to follow all terms, conditions, requirements and restrictions as were applicable during the COVID-19 temporary work from home arrangement, or as otherwise set forth by the City.
- Notwithstanding that an Employee may be working from home or in a blended home/City workspace setting, the Employee may from time-to-time be required to attend a City workspace or other locations (e.g. meetings, training etc.), as identified by the City. In this case it is understood that less than 30 days' notice may be provided to the Employee.
- This LOU expires December 31, 2021, or when a permanent remote work program is otherwise agreed to and effective, whichever occurs first.

Edmonton Police Service – Extended Shifts (Emergency Communications & Operations
Management Branch)

The following provisions shall apply to employees within the Emergency Communications & Operations Management Branch (ECOMB) of the Edmonton Police Service (EPS).

Unless otherwise specified, clauses contained in the Collective Agreement shall continue to apply. Clauses in the LOU which have the same numerical designation as the clauses in the Collective Agreement shall supersede those clauses of the Collective Agreement. Where conflict or differences exist between the clauses contained in the main portion of the Collective Agreement, the specified provisions contained in this LOU shall prevail in respect of employees engaged in the compressed work week.

6. Working Conditions

6.01 Hours of Work

6.01.01 Employees engaged in the extended shift schedules shall have a shift that does not exceed twelve (12) hours, including time off for lunch. The average weekly hours of work for such employees shall be forty (40) hours.

6.01.09 There shall be a minimum twelve (12) hour interval between the completion time of one shift and the commencement time of the next assigned shift to an employee. In the event that an employee is scheduled or rescheduled to work a shift which does not allow for the minimum twelve (12) hour interval, they shall receive the regular rate of pay for each hour of the first shift worked and shall receive the overtime premium for each hour of the next shift worked.

6.03 Banked Overtime

6.03.01 Employees shall have the option to receive overtime, or pay for work on off days, or pay for work on statutory holidays:

- at their regular rate of pay and credit an equal dollar amount to their banked time; or,
- credit the total dollar amount to their banked time.

The maximum hours employees can accumulate in their overtime bank is one hundred and twenty (120) hours.

7. Remuneration

7.01 Wages

7.01.01 Employees will be paid bi-weekly based on the rates of pay contained in the Schedule of Wages. When an employee ceases to participate in the extended shift schedule, the City shall compare the hours which the employee has worked with the wages that the employee has received. The City will either pay the employee for hours worked which have not been paid or shall deduct from monies owing to the employee for hours not worked for which payment was received.

8. Fringe Benefits

8.01 Statutory Holidays

8.01.08 A day's pay for a statutory holiday or a day off with pay in lieu of a statutory holiday shall be equal to the monetary equivalent of eight (8) hours of work.

LETTER OF UNDERSTANDING

BETWEEN

The City of Edmonton
("The City")

AND

Civic Service Union 52
("The Union")

RE: Amended Hours of Work and Compressed Hours of Work Options (36.9)

This Letter of Understanding does not apply to Edmonton Police Service employees.

The City and the Union agree to:

- Amend the Hours of Work provisions, adding a new 73.8 biweekly / 36.9 weekly hours schedule; and
- Amend Addendum #1 - Compressed Hours of Work provisions

within the collective agreement.

Amendments to Hours of Work Provisions

A new 73.8 bi-weekly / 36.9 weekly hours per week option will be added to the collective agreement effective upon the date this Letter of Understanding (LoU) is signed.

Implementation of the new hours of work schedule (36.9 hours per week) will occur over time on a schedule determined by the City and shared with the Union.

Unless otherwise provided in this LoU, all provisions in the collective agreement continue to apply.

Clause 6.01.15 will be amended:

- To include the following statement after the title of the article: "Where changes are required to biweekly Hours of Work or Compressed hours of Work arrangements, the party initiating the change will provide as much notice as reasonably possible, but not less than number of days of notice outlined in 6.01.15.01, 6.01.15.02, and 6.01.15.03."; and
- To include the same required period of notice to change an Employee's hours of work schedule to or from 36.9 hours.

Article 6.02.04 will be amended to state that hourly rates for overtime calculation for 36.9 hour positions will be based upon the 36.9 hour salary schedule.

Article 6.04.03 will be amended to state that for 36.9 hour positions, the hourly rates will be based upon the 36.9 hour salary schedule.

Article 6.05.02 will be amended to state that for 36.9 hour positions pay for work on statutory holidays will be based upon the hourly rate in the 36.9 hour salary schedule.

Article 7.01.02 will be amended to reflect that the 40 hour wage rate will also apply to Part-time employees working in areas with any combination of different hours of work options (33.75, 36.9, 40).

In Addendum #1 - Compressed Hours of Work Program, articles 6.01.15 and 8.01.08 do not apply to employees on a 12 day or 19 day Compressed Hours of Work arrangement (no requirement to work the first full pay period).

New Salary Schedule (36.9)

A new Salary Plan will be generated by the City's payroll system and created within Appendix I: Schedule of Wages for the 36.9 hour per week option. Pay for each job classification will be calculated for purposes of implementation, as follows:

- 36.9 hour annual salary: will be established as the midpoint between the 33.75 hour annual salary and 40.0 hour annual salary by calculating a wage adjustment of 6% of the annual salary assigned from the 33.75 schedule of wages
- Once the 36.9 hour annual salary is established, the biweekly and hour rates for the 36.9 hour wage schedule will be calculated as follows:
 - 36.9 biweekly pay: divide 36.9 annual salary by 26.1
 - 36.9 hourly rates: divide 36.9 bi-weekly pay by 73.8

Compressed Hours of Work Options (33.75 / 36.9 / 40.0)

Full-time employees occupying positions with hours of work established at 33.75 hours per week / 6.75 hours per day shall continue to be eligible to participate in a 25 day/year compressed hours of work program. This LoU serves as notice of the City's intent to eventually move all employees on a 33.75 hour weekly schedule to either 36.9 or 40.0 hours weekly.

Addendum #1 is amended to include two new Compressed Hours of Work options for full-time employees occupying positions with hours of work established at 36.9 hours per week or 40 hours per week. Participants may be eligible for either 19 or 12 Earned Days Off (EDO), based on operational requirements. Employee preference of EDO Option (per the table below) shall be considered.

Employees who move from 33.75 to 36.9 hours will be allowed to maintain one of the two EDO options below, provided they were on the EDO program before the change to 36.9 hours. Where continuation of an EDO option is not feasible, the City will notify the Union of the business rationale and meet to consider alternatives before a final decision is made.

A breakdown of the number of EDOs for each hours of work option and the required number of hours worked per shift while on or off the revised EDO program, is outlined below:

Regular Hours of Work	*Normal Daily Shift length without EDOs (exclusive of lunch break)	Number of Earned Days Off (EDOs)	*Normal Daily Shift length with EDOs (exclusive of lunch break)
80 hours bi-weekly / 40 weekly	8.0 (8 hrs, 0 mins)	(New) Option 2: 19	8.66 (8 hrs, 40 mins)
	8.0 (8 hrs, 0 mins)	(New) Option 3: 12	8.41 (8 hrs, 25 mins)
(New) 73.8 hours bi-weekly / 36.9 weekly	7.38 (7 hrs, 23 mins)	Option 1: 19	8.0 (8 hrs, 0 mins)
	7.38 (7 hrs, 23 mins)	Option 2: 12	7.75 (7 hrs, 45 mins)

Through the 40 Hour Work Week initiative, some positions will move from 33.75 hours per week to 40 and some will move from 33.75 to 36.9.

The City confirms that there are no plans for movement of employees who are moved to the 36.9 hour work week, to then be moved to the 40 hour work week in large numbers. Additionally, should any future *large employee group changes to hours of work be required, the City will notify the Union of the business rationale and meet to consider alternatives before a final decision is made.

Normal individual employee or small team or work unit changes resulting from business requirements, and seasonal hours adjustments, may however continue in accordance with the collective agreement

* "large employee group" means the majority (more than half) of employees or entire Departments, Branches or Sections of employees. Exceptions to this are subject to mutual agreement of the Union and the City.

General

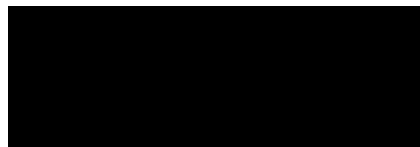

Where there is a difference between the terms of this LoU and the collective agreement, this LoU shall apply.

RE: Temporary Work from Home Agreement

As the provincial Government of Alberta lifts public health orders, in place due to the COVID-19 pandemic, employees will be required to return to a City workspace, from their current home setting, in the coming weeks and months.

Unless otherwise agreed as per below, every Employee's place of work will be a City workspace in accordance with the City's Workplace Reintegration Plan.

The parties mutually understand that any permanent remote work program is subject to agreement through collective bargaining negotiations. The parties agree that the following applies in the interim:

- An Employee may request approval from the City to continue working remotely from home, in accordance with a process(es) to be determined by the City.
- At the discretion of the City, any individual Employee may be directed to return to a City workspace and/or to work remotely from home during the term of this agreement.
- Subject to operational requirements, any Employee directed to return to a City workspace will be provided with a minimum of 30 calendar days' notice, unless a shorter period is otherwise mutually agreed to between the City and the Employee.
- In cases where an Employee is directed to return to a City workspace but requests an exemption from that requirement, arising from a potential legal duty to accommodate, the City will consult with the Union and discuss potential alternatives before making its final decision. While the City and the Union shall make best efforts to conduct such consultations in a timely manner, if operational requirements necessitate an employee's return, the Employee shall return to a City workspace prior to the conclusion of consultation if directed to do so by the City. If an Employee refuses to return to work to the City workspace or, following consultation with the Union, if the City maintains its return to work direction and the Employee refuses to return to work to the City workspace, the Employee will be deemed to have abandoned their employment with the City and will be terminated.

- Any Employees approved by the City to remain working remotely from home for any period of time, shall continue to follow all terms, conditions, requirements and restrictions as were applicable during the temporary work from home arrangement during the pandemic, or as otherwise set forth by the City.
- Notwithstanding that an Employee may be working from home or in a blended home/City workspace setting, the Employee may from time-to-time be required to attend a City workspace or other locations (e.g. meetings, training etc.), as identified by the City. RE: Wind-Up of Former Income Replacement Plan (IRP)

The IRP was discontinued over 25 years ago and was replaced by short and long term disability plans. The process for managing the funds remaining in the former IRP plan is outlined as per Article 3 of the Collective Agreement, "Wind-up of Former Income Replacement Plan, Part II Health and Welfare Benefits". Under the terms of the Collective Agreement, each member with a positive balance in the IRP is entitled to a lump sum payment, which is paid upon resignation (50% of their entitlement) or their retirement or death (100% of their entitlement).

Rather than continue with the process as outlined in the Collective Agreement, the Parties agree to bring the former IRP to conclusion with the following terms:

- The terms of this Letter of Understanding (LOU) apply to all employees covered by this Collective Agreement (inclusive of those CSU 52 employees working in the Edmonton Police Service) that have funds remaining in the former IRP.
- Balances will be paid out to all eligible employees at 100% of their entitlement, less statutory deductions, including employees who are not retirement eligible.
- Employees will be presented with the option to transfer all or a portion of their IRP payout to a Registered Retirement Savings Plan (RRSP). Employees are responsible for ensuring that they have enough RRSP room for the amounts they wish to contribute, also subject to advance provision to the City by the employee of a Statutory Declaration (in a form acceptable to the City) confirming sufficient RRSP contribution room.
- The parties agree to delete the former IRP terms and conditions from the Collective Agreement during the next round of Collective Bargaining.
- Where there is a difference between the terms of this LOU and the Collective Agreement, this LOU shall apply.
- Effective upon the date this LOU is signed, Article 3 of the Collective Agreement between the parties, "Wind-up of Former Income Replacement Plan, Part II Health and Welfare Benefits", is deemed null and void and implementation of

the payout of IRP balances to all eligible CSU 52 employees will occur on a schedule determined by the City and shared with the Union.

RE: Hybrid Remote/Office Work Agreement

Unless otherwise agreed as per below, every Employee's place of work will be a City workspace.

In relation to the City's hybrid remote/office work program for Union Employees, the parties agree that the following applies:

- An Employee may request approval from the City to continue working remotely from home in a hybrid work arrangement, in accordance with a process(es) to be determined by the City.
- Any employee approved for this program may be required to work at least 2 days a week in an assigned City workspace.
- At the discretion of the City, any individual Employee may be directed to return to a City workspace and/or to work remotely from home during the term of this agreement.
- Subject to operational requirements, any Employee directed to return to a City workspace will be provided a minimum of 30 calendar days' notice, unless a shorter period is otherwise mutually agreed to between the City and the Employee.

RE: National Day for Truth and Reconciliation

The Truth and Reconciliation Calls to Action recommend a national holiday to observe a day for Truth and Reconciliation. The federal government has declared September 30th that day, and it is only a statutory holiday for federal employees. On March 14, 2023, City Council declared September 30th a civic holiday under the *Municipal Governance Act* for the City of Edmonton.

The City of Edmonton and its Unions and employees desire to honour and acknowledge September 30th as the National Day for Truth and Reconciliation.

The undersigned parties agree to AMEND articles 8.01.01 and 8.01.02 as follows:

8.01.01 The following days shall be recognized as statutory holidays for the purpose of this Agreement, and all permanent, provisional and probationary employees shall be entitled to the holidays specified, provided they meet the terms and conditions set out in 8.01.04.

New Year's Day, Alberta Family Day, Good Friday, Easter Sunday, Victoria Day, Canada Day, Civic Holiday, Labour Day, **National Day for Truth and Reconciliation**, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day, and any other holiday which the City allows employees as a whole.

NOTE:

- For the purposes of this clause, Canada Day shall be deemed to be July 1st of each calendar year, or July 2 when July 1 is a Sunday.
- For the purposes of this clause, Boxing Day shall be deemed to be December 26th of each calendar year.

8.01.02 Temporary employees who have completed thirty (30) days' continuous service, or who have worked thirty (30) days with the City in the preceding twelve (12) months, shall be entitled to receive such statutory holidays as are set forth in the current Employment Standards Code, or as follows (whichever is more favourable), provided they meet the terms and conditions set out in 8.01.04.

New Year's Day, Alberta Family Day, Good Friday, Victoria Day, Canada Day, Labour Day, **National Day for Truth and Reconciliation**, Thanksgiving Day, Remembrance Day and Christmas Day.

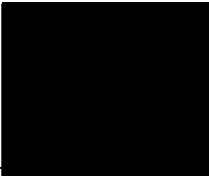

~~NOTE: For the purposes of this clause, Canada Day shall be deemed to be July 1st of each calendar year, or July 2 when July 1 is a Sunday:~~

- **For the purposes of this clause, Canada Day shall be deemed to be July 1st of each calendar year, or July 2 when July 1 is a Sunday.**
- **All temporary employees shall be eligible for the National Day for Truth and Reconciliation regardless of their days of continuous service or length of service in the preceding 12 months.**

This LOU shall apply to those employees within the Union that work for EPS and the City of Edmonton.

The parties agree that this LOU shall be effective immediately and updated language shall be moved into the body of the next Collective Agreement.

RE: Hybrid Remote/Office Work Agreement

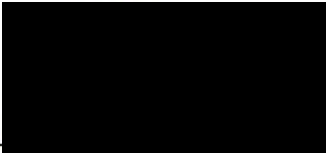

Unless otherwise agreed as per below, every Employee's place of work will be a City workspace.

In relation to the City's hybrid remote/office work program for Union Employees, the parties agree that the following applies:

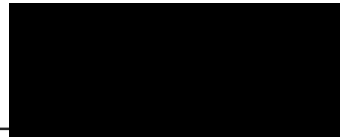

- An Employee may request approval from the City to continue working remotely from home in a hybrid work arrangement, in accordance with a process(es) to be determined by the City.
- Any employee approved for this program may be required to work at least 2 days a week in an assigned City workspace.
- At the discretion of the City, any individual Employee may be directed to return to a City workspace and/or to work remotely from home during the term of this agreement.
- Subject to operational requirements, any Employee directed to return to a City workspace will be provided a minimum of 30 calendar days' notice, unless a shorter period is otherwise mutually agreed to between the City and the Employee.
- In cases where an Employee is directed to return to a City workspace but requests an exemption from that requirement, arising from a potential legal duty to accommodate, the City will consult with the Union and discuss potential alternatives before making its final decision. While the City and the Union shall make best efforts to conduct such consultations in a timely manner, if operational requirements necessitate an employee's return, the Employee shall return to a City workspace prior to the conclusion of consultation if directed to do so by the City. If an Employee refuses to return to work to the City workspace or, following consultation with the Union, if the City maintains its return to work direction and the Employee refuses to return to work to the City

workspace, the Employee will be deemed to have abandoned their employment with the City and will be terminated.

- Any Employees approved by the City to remain working remotely from home for any period of time, shall continue to follow all terms, conditions, requirements and restrictions set forth by the City.
- Notwithstanding that an Employee may be working in a hybrid work arrangement, the Employee may, from time-to-time, be required to attend a City workspace or other locations (e.g. meetings, training etc.) outside of their agreed-to schedule, as identified by the City. In this case, it is mutually understood that less than 30 days' notice may be provided to the Employee.
- This LOU expires April 30, 2024, or when a permanent hybrid remote/office work program is otherwise agreed to and effective, whichever occurs first.

RE: Acceptance of Licensed Nurse Practitioner Documentation

Nurse Practitioners are now licensed to prescribe certain products and services. This expanded prescriptive authority includes many benefits covered under the City of Edmonton's Employee Benefit Plan.

As such, for the purpose of adjudicating eligibility for major medical benefits, effective January 1, 2024, the City will accept medical documentation from a licensed Nurse Practitioner for benefits that currently require a written prescription from a physician, as outlined in the Collective Agreement. Medical documentation will only be accepted from a licensed Nurse Practitioner when the assessment of the need for a prescribed product and/or service falls within the licensed Nurse Practitioner's scope of practice.

**Letter of Understanding
DATS employees working during any strike or lockout**

WHEREAS the Parties are currently engaged in collective bargaining;

AND WHEREAS the Parties are aware that there may be a legal strike or legal lockout called during this round of collective bargaining;

AND WHEREAS the essential services provisions set out in Division 15.1 of Part 2 of the *Labour Relations Code* (the "Code") do not apply to the Parties;

AND WHEREAS the Parties have voluntarily agreed to some DATS employees remaining at work in the event of a legal strike or legal lockout in this round of collective bargaining;

NOW THEREFORE THE PARTIES AGREE AS FOLLOWS:

1. The Parties agree that the employees listed on Schedule A to this agreement will continue working during a legal strike or legal lockout for the duration of the work stoppage or for the duration of this agreement, whichever ends first.
2. If any of the employees listed on Schedule A are unavailable to work at the time of the commencement of a legal strike or legal lockout or becomes unavailable during any legal strike or legal lockout, and the Employer requires another employee in that person's classification to work (who is not currently subject to the exemption), the Parties will meet within 24 hours of the Employer requesting the meeting and make reasonable efforts to identify a replacement employee in that classification to add to Schedule A for the duration of time that the initial employee remains unavailable to work.
3. The Parties agree that the employees listed on Schedule A will continue to be covered by all of the terms of the current collective agreement (unless expressly provided for in this Letter of Understanding), despite the fact that the collective agreement will cease to apply to all other bargaining unit employees upon the commencement of a legal strike or legal lockout.

4. The Parties agree that the employees listed on Schedule A will continue to work on the same basis as they had been working up to the commencement of a legal strike or legal lockout. The Parties agree that the employees will continue to work on their regular schedules and will continue to be assigned to their regular work.
5. The Parties agree that the employees listed on Schedule A will not be assigned any work of any of the employees who are on a legal strike or a legal lockout during the duration of the legal strike or legal lockout.
6. The Parties agree that if there is a dispute about whether the provisions of paragraphs 3, 4 or 5 have been breached, the dispute will be resolved by the following process:
 - The employee will immediately raise their concern with their immediate supervisor, who will make time to talk with the employee immediately.
 - If the employee's concern is not resolved after a discussion with their supervisor, the implementation of any change in assignment that the employee objects to will be put on hold until the issue is resolved by agreement or by the decision of an Umpire.
 - The employee will immediately call their Union representative, Gary Ahlstrom, 780-448-8910 and the supervisor will immediately call their manager, Paul Schmold, Manager Paratransit, at 780-496-4553.
 - The Union representative and the Manager will talk and make every effort to resolve the dispute within the next 24 hours.
 - If the matter is not resolved, then the Union and the Employer will refer the matter to the first umpire on the list below, moving through the list in order, who can meet with the Parties (in person or via electronic means) within the next 24 hours to hold an expedited hearing and resolve the dispute by way of a short, bottom line oral or written ruling issued within 2 hours of the completion of the hearing.
 - The Parties and the objecting employee will comply with the ruling made by the Umpire, whose decision will be final and binding.
 - The Parties will bear the cost of the Umpire equally.
 - The Parties agree that the Umpire is an arbitrator under the Code and all provisions that apply to arbitrators will apply to the Umpire and their decision.

This umpire process is not intended to replace the usual Dispute Resolution Process in the collective agreement for matters pertaining to the interpretation and application of the collective agreement.

7. The list of agreed upon Umpires is:

- Andrew Sims
- Mark Asbell
- Michael Hughes
- James Casey
- Cheryl Yingst Bartel

If none of the Umpires on the list can meet with the Parties, they will agree upon an alternative available Umpire or request that an available Umpire be appointed by the Director of Mediation Services.

8. Should this Letter of Understanding be found to not be binding, the employees listed on Schedule A will immediately cease to work and will be free to participate in any ongoing legal strike or lockout that is ongoing or that starts after that finding.

9. This Letter of Understanding will remain in place only until the ratification of the replacement collective agreement in this round of collective bargaining and in any event for no longer than December 31, 2024.

10. This Letter of Understanding can be executed in counterparts.
