**RE: Proposal from EPCOR to City Council**

---

In a meeting with Linda Cochrane, City Manager, on June 9, 2016, the Union was advised that EPCOR is bringing a proposal to City Council regarding Drainage Services.

The proposal has been scheduled for Council review on June 14, 2016. It has been tabled without any recommendation from the City administration. The proposal is to undertake a feasibility study regarding the potential transfer of the majority of Drainage Services functions to EPCOR.

Council will decide whether to proceed with the study or to reject the proposal. If Council accepts the proposal, the plan is to complete the study by the end of October 2016.

If and when additional information becomes available, we will keep the membership apprised of the process.

Sincerely,

A handwritten signature in blue ink that reads 'Lanny Chudyk'.
