Dear Member,

The Coalition of Edmonton Civic Unions (CECU) is comprised of five unions: Amalgamated Transit Union Local 569, Civic Service Union 52, Edmonton Fire Fighters' Union Local 209, International Brotherhood of Electrical Workers Local 1007, and United Food and Commercial Workers Local 401. Together our unions represent over 10,000 members.

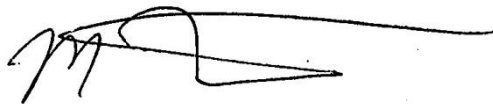

The CECU is again pleased to be able to provide you with information on candidates for Edmonton City Council in the upcoming civic election. It is important that we are involved in the political process for a number of reasons:

- Our strength and ability to serve our members depends on the political climate.
- The rights of unions are affected by our elected officials and the policies they vote on.
- Politics affects all of us and extends well beyond the workplace; we are taxpayers and citizens, and our quality of life depends, in part, on who we elect.

We hope this package serves to inform you and guide your decision on candidate selection. The CECU is endorsing candidates that we feel will best represent the interests of us all as citizens and as union members.

Please feel free to contact us if you have any questions or comments. Thank you, and please make your vote count on October 16.

In solidarity,

Mark Tetterington
President
ATU Local 569

The CECU's Political Action Committee conducted interviews with candidates, beginning in May 2017.
