ATTN: ALL CSU 52 MEMBERS

Effective the pay period that immediately begins after January 11, 2018 (pay period dates differ for each bargaining unit), the ratio portion of your **CSU 52 dues will increase to 3/4th of 1% (or 0.0075) of your gross bi-weekly salary.**

The additional flat rate portion of eight dollars (\$8) remains unchanged.

Any member earning a gross bi-weekly salary of less than two-hundred and fifty dollars (\$250) will pay a maximum of two dollars and thirty cents (\$2.30) in dues for that pay period. This amount also remains unchanged.

PREVIOUS DUES CALCULATION (before increase)

Ratio portion: **11/16th** of 1% (or 0.006875) multiplied by gross bi-weekly salary
Flat Rate portion: \$8.00

Total dues for bi-weekly pay period = Ratio portion + Flat Rate portion
